² 17 CFR 240.19b-4.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange is proposing an alteration of the hours the Exchange is to be open for trading Nasdaq securities. Presently, Chapter XXXV of the Rules, *Trading in Nasdaq Securities*, Section 8, *Dealings on the Floor—Hours*, limits the hours of trading in Nasdaq securities on the Exchange to the hours of 9:30 a.m. to 4 p.m. The Exchange would delete

the present rule and replace it with one which would permit the transaction of business, in Nasdaq securities only, between the hours of 7 a.m. and 6:30 p.m. The Exchange believes that such an extension of hours would allow Exchange members who trade Nasdaq securities to remain competitive with their counterparts on other exchanges that trade Nasdaq securities pursuant to unlisted trading privileges, as well as NASD members who are permitted to conduct transactions in Nasdaq securities during this extended period. Furthermore, the Exchange believes that such extended hours are contemplated and permitted by Article XI of the Joint Self-Regulatory Organization Plan Governing the Collection, Consolidation and Dissemination of Quotation and Transaction Information for Nasdaq-Listed Securities Traded on Exchanges on an Unlisted Trading Privilege Basis ("OTC/UTP Plan")⁴

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6 of the Act,⁵ in general, and Section 6(b)(5) of the Act,⁶ in particular, in that it is designed to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating securities transactions, to remove impediments to and perfect the mechanism of a free and
