

record and the enrollment information as certified to VA.

(iii) The educational institution location with administrative capability can specify the location where the student is training when sending certifications concerning that student to VA.

(iv) The educational institution location with administrative capability maintains a list of all programs approved for VA training for each location for which it has administrative capability.

(v) The educational institution location with administrative capability has all required records for each location for which it has administrative capability available for review by State approving agency representatives and or VA officials.

(2) If the educational institution wants to consolidate administrative capability at one or more locations in a different State, the State approving agency will refer the matter to the Director, Education Service for approval. The Director, Education Service may approve the request in whole or in part when the educational institution can demonstrate the following:

(i) The location with administrative capability maintains all records and accounts that § 21.4209 requires for each student attending the location (or locations) without administrative capability. These records may be originals, certified copies, or in an electronically formatted record keeping system.

(ii) The educational institution has an employee (or employees) physically present at the location with administrative capability who is able to discuss with or explain to VA the relationship between the student's record and the enrollment information as certified to VA.

(iii) The educational institution location with administrative capability can identify the location where the student is training when sending certifications concerning that student to VA.

(iv) The educational institution location with administrative capability maintains a list of all programs approved for VA training for each location for which it has administrative capability.

(v) The educational institution location with administrative capability either—

(A) Has all required records for each location for which it has administrative capability available for review by State approving agency representatives and/or VA officials, or

(B) If located in a different State than the State approving agency representative or the VA official, has the ability and agrees to send copies of any records requested to the State approving agency representative and/or VA official from that location.

(3) The educational institution may locate the administrative capability at its primary administrative offices if the primary administrative offices are not co-located at the main campus.

(4) The State approving agency or the Director, Education Service, as the case may be, may withdraw an approval to consolidate administrative capability for good cause.

(Authority: 38 U.S.C. 3672)

(e) *Combined approval.* The State approving agency will combine the approval of courses offered by an extension of an educational institution with the approval of the main campus or the branch campus that the extension is dependent on. The State approving agency will list the extension and courses approved on the notice of approval sent to the educational institution pursuant to § 21.4258.

Approval and Promulgation of Implementation Plans State of North Carolina: Approval of Miscellaneous Revisions to the Mecklenburg County Air Pollution Control Ordinance

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: On September 24, 1997, The North Carolina Department of Environment and Natural resources submitted revisions to the Mecklenburg County Air Pollution Control Ordinance (MCAPCO). These revisions include the addition of new requirements for permits under MCAPCO Section 1.5200 Air Quality Permits, and the adoption of new rules under MCAPCO Section 1.5600 Transportation Facility Procedures. In the Final Rules section of this **Federal Register**, the EPA is approving the State's SIP revision as a direct final rule without prior proposal because the Agency views this as a noncontroversial submittal and

anticipates no adverse comments. A detailed rationale for the approval is set forth in the direct final rule. If no significant, material, and adverse comments are received in response to this rule, no further activity is contemplated. If EPA receives adverse comments, the direct final rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this rule. The EPA will not institute a second comment period on this document. Any parties interested in commenting on this document should do so at this time.

DATES: Written comments must be received on or before July 30, 2003.

ADDRESSES: All comments should be addressed to: Randy Terry at the EPA, Region 4 Air Planning Branch, 61 Forsyth Street, SW., Atlanta, Georgia 30303-8960.

Copies of the State submittal(s) are available at the following addresses for inspection during normal business hours:

Environmental Protection Agency,
Region 4, Air Planning Branch, 61
Forsyth Street, SW., Atlanta, Georgia
30303-8960. Randy Terry, (404) 562-9032.

Mecklenburg County Department of
Environmental Protection, 700 North
Tryon Street, Charlotte, North
Carolina 28202-2236.

North Carolina Department of
Environment and Natural Resources,
512 North Salisbury Street, Raleigh,
North Carolina 27604.

FOR FURTHER INFORMATION CONTACT: Randy B. Terry at (404) 562-9032, or by electronic mail at terry.randy@epa.gov.

SUPPLEMENTARY INFORMATION: For additional information see the direct final rule which is published in the Rules section of this **Federal Register**.

Dated: September 20, 2002.

A. Stanley Meiburg,

Acting Regional Administrator, Region 4.
