

that the current requirement of receiving authorization from (and only from) the carrying member of the customer account in which a member or associated person intends to share is not the most effective regulatory approach to address the potential risks of such arrangements. NASD believes that it is important that employing members be notified and affirmatively authorize sharing in a customer's account so that they are better able to supervise their associated persons and ensure compliance with NASD rules and other applicable laws and regulations.

In addition, neither Rule 2330(f)(1)(A) nor Rule 2330(f)(2) require a member or its associated persons to obtain the prior written authorization of the customer in whose account they intend to share. NASD believes that it is important for a customer to provide his or her written approval prior to a member or its associated persons sharing in the profits or losses in that customer's account. NASD believes that it is important that customers be provided the opportunity to affirmatively authorize a member or associated person to share in their accounts.

Therefore, NASD is proposing to amend Rules 2330(f)(1)(A) and 2330(f)(2) to require that, when sharing in a customer's account, associated persons obtain the prior written authorization of their employing member and that members and their associated persons obtain the prior written authorization of the customer in whose account they will be sharing. NASD notes that, notwithstanding a member's or associated person's compliance with the requirements of Rule 2330(f), the conduct permitted under Rule 2330(f) may trigger notice and other requirements under other NASD rules, including NASD Rules 3030, 3040, and 3050. Rule 2330(f) does not affect the applicability of such other rules to these arrangements.

2. Statutory Basis

NASD believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,⁷ which require, among other things, that the Association's rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the

public interest. Specifically, the proposed rule change is intended to facilitate compliance with Rule 2330(e) by clarifying the conduct prohibited by the rule, and to strengthen the regulatory protections provided in Rule 2330(f).

B. Self-Regulatory Organization's Statement on Burden on Competition

NASD does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

(A) By order approve such proposed rule change, or

(B) Institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposal is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. December 30, 2002.

On August 29, 2002, the New York Stock Exchange, Inc. ("NYSE") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to amend NYSE Rule 123D: Openings and Halts in Trading. The proposed amendments would shorten the minimum time period between tape indications and reopenings in stocks that are subject to a trading halt during the trading day. The proposed rule change, as amended, was published for notice and comment in the **Federal Register** on November 26, 2002.³ The commission received no comments on the proposed rule change.

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange⁴ and, in particular, the requirements of Section 6 of the Act⁵ and the rules and regulations thereunder. The Commission believes that the NYSE's amendments to NYSE Rule 123D to revise the procedures for re-opening after a trading halt strike a reasonable balance between preserving the price discovery process and
