**SUPPLEMENTARY INFORMATION:** Title: Currency Transaction Report by Casinos—Nevada (CTRC-N).

OMB Number: 1506-0003.  
Form Number: FinCEN Form 103-N (Formerly 8852).

*Abstract:* The statute generally referred to as the "Bank Secrecy Act," Titles I and II of Public Law 91-508, as amended, codified at 12 U.S.C. 1829b, 12 U.S.C. 1951-1959, and 31 U.S.C. 5311-5332, authorizes the Secretary of the Treasury, *inter alia*, to require financial institutions to keep records and file reports that are determined to have a high degree of usefulness in criminal, tax, and regulatory matters, or in the conduct of intelligence or counter-intelligence activities; to protect against international terrorism, and to implement counter-money laundering programs and compliance procedures.<sup>1</sup> Regulations implementing Title II of the Bank Secrecy Act appear at 31 CFR part 103. The authority of the Secretary to administer the Bank Secrecy Act has been delegated to the Director of FinCEN.

Section 5313(a) authorizes the Secretary to issue regulations that require a report when "a domestic financial institution is involved in a transaction for the payment, receipt, or transfer of United States coins or currency (or other monetary instruments the Secretary of the Treasury prescribes), in an amount, denomination, or amount and denomination, or under circumstances the Secretary prescribes. Regulations implementing section 5313(a) are found at 31 CFR 103.22. In general, the regulations require the reporting of transactions in currency in excess of \$10,000 a day.

Pursuant to a cooperative agreement between Treasury and Nevada, casinos in Nevada report currency transactions

using the Currency Transaction Report by Casinos—Nevada, FinCEN 103-N (Formerly Form 8852).

*Action:* This revision makes several editorial changes to the CTRC-N. As part of an effort to standardize its forms, FinCEN is changing the form number from Form 8852 to FinCEN Form 103-N. In addition, the format of the country information in Part I items "11" and "25," in Part II item "35," and Part III item "45" is changed to accept two-digit country codes instead of a text country name, and information about accessing state and country codes on FinCEN's website is added to the instructions. The format for dates entered in Part I items "8" and "26," Part II item "33," and Part III items "48" and "51" is also changed to ease data entry on electronically prepared forms and to conform to current form style. Finally, the Paperwork Reduction Act notice has been moved to page four.

*Type of Review:* Regular with changes to a currently approved information collection.

*Affected public:* Business or other for-profit and institutions.

*Frequency:* As required.

*Estimated Burden:* Reporting average of 19 minutes per response.<sup>2</sup> Form recordkeeping average of 5 minutes per response, for a total of 24 minutes.

*Estimated number of respondents:* 115.

*Estimated Total Annual Responses:* 136893.

*Estimated Total Annual Burden Hours:* 54,757.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number. Records required to be retained under the Bank Secrecy Act must be retained for five years.

### Request for Comments

Comments submitted in response to this notice will be summarized and/or

<sup>1</sup> Language expanding the scope of the Bank Secrecy Act to intelligence or counter-intelligence activities to protect against international terrorism was added by Section 358 of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism (USA PATRIOT ACT) Act of 2001 (the "USA Patriot Act"), Pub. L. 107-56.

<sup>2</sup> This burden relates to the completion of the CTRC-N form only. The recordkeeping burden of 31 CFR 103.22 is reflected in the final rule requiring financial institutions to file currency transaction reports of suspicious activity.
