

input and support for the planning process. The three homeowners downstream of Site 2-2 voiced strong support for voluntary relocation of their houses.

Individual meetings were held with the three homeowners downstream, of Site 2-2 on April 22, 2002. The homeowners confirmed their continued strong support for relocation and each indicated their intent to participate in relocation. The Woodbury County SWCD voted on April 16, 2002 to support the relocation alternative. On April 23, 2002, the Woodbury County Board of Supervisors voted to support the project by providing extensive in-kind services from their Planning and Zoning Department, Secondary Roads Department, and County Conservation Board.

Twenty Indian tribal contacts and two local historical societies were notified of this intended action in accordance with 36 CFR part 800. They were consulted about their knowledge of historical properties in the project area. The only response received during the comment period was from the Prairie Band Potawatomi Nation who stated they were unaware of cultural resources related to the tribe in the project area.

The Glen Ellen Subwatershed Draft Supplemental Watershed Plan and Environmental Assessment Number 1 was sent to 40 public agencies and private groups interested in natural resource issues. Six letters of comment were received during the 45-day review period ending on February 24, 2003.

Changes were made to the plan in response to the Woodbury County Zoning Administrator's comment on the use of deed restrictions in addition to zoning to prevent redevelopment on three lots downstream from Site 2-2. Clarifications were made to reflect impacts on wetlands in response to comments received from the Army Corps of Engineers.

Conclusion

The Environmental Assessment summarized above indicates that this Federal action will not cause significant impacts on the environment. Therefore, based on the above findings, I have determined that an environmental impact statement for the Glen Ellen Subwatershed Draft Supplemental Watershed Plan and Environmental Assessment Number 1 is not required.

Dated: April 30, 2003.

DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: U.S. Census Bureau.

Title: Manufacturers' Shipments, Inventories, and Orders (M3) Survey.

Form Number(s): M-3(SD).

Agency Approval Number: 0607-0008.

Type of Request: Extension of a currently approved collection.

Burden: 14,000 hours.

Number of Respondents: 3,500.

Avg Hours Per Response: 20 minutes.

Needs and Uses: The U.S. Census Bureau is requesting an extension of the currently approved collection for the Manufacturers' Shipments, Inventories, and Orders (M3) survey. This survey collects monthly data from domestic manufacturers on Form M-3 (SD), which is mailed at the end of each month. Data requested are shipments, new orders, unfilled orders, total inventory, materials and supplies, work-in-process, and finished goods. It is currently the only survey that provides broad-based monthly statistical data on the economic conditions in the domestic manufacturing sector. It is designed to measure current industrial activity and to provide an indication of future production commitments.

This survey provides an essential part of the current economic indicators needed for assessing the evolving status of the economy and formulating economic policy. The Office of Information and Regulatory Affairs, Office of Management and Budget (OMB) has designated this survey as a principal federal economic indicator. The shipments and inventory data are essential inputs to the gross domestic product (GDP), while the orders data are direct inputs to the leading economic indicator series. The GDP and the economic indicator series would be incomplete without these data. The survey also provides valuable and timely domestic manufacturing data for economic planning and analysis to business firms, trade associations, research and consulting agencies, and the academia.

Affected Public: Business or other for-profit.

Frequency: Monthly.

Respondent's Obligation: Voluntary.

Legal Authority: Title 13 U.S.C., Sections 131 & 182.
