[Docket No. RP95-408-050]

Columbia Gas Transmission Corporation; Notice of Refund

January 23, 2003.

Take notice that on January 21, 2003, Columbia Gas Transmission Corporation (Columbia Gas) filed to report on the flow-back to customers of funds received from insurance carriers for environmental costs attributable to Columbia Gas' Docket No. RP95-408 settlement period.

Columbia Gas states that it allocated such recoveries among customers based on terms of the Docket No. RP95-408 Phase II Settlement which states that customer allocations shall be based on customers' actual contributions to Remediation Program collections for the most recent February 1-January 31 period.

Columbia Gas states further that it provided a copy of the report to all customers who received a share of the environmental insurance recoveries and all state commissions whose jurisdiction includes the location of any such recipient.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with section 385.211 of the Commission's Rules and Regulations. All such protests must be filed on or before the comment date. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. This filing is available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the "FERRIS" link. [Docket No. EG03-36-000]

Conectiv Mid-Merit, Inc; Notice of Filing

January 21, 2003.

Take notice that on January 15, 2003, Conectiv Mid-Merit, Inc. (CMM) filed with the Federal Energy Regulatory Commission (Commission) an Application for Determination of Exempt Wholesale Generator Status (Application) pursuant to Section 32(a)(1) of the Public Utility Holding Company Act of 1935 (PUHCA), all as more fully explained in the Application.

CMM states that it is in the process of permitting and developing several sites in the Commonwealth of Pennsylvania, one or more of which it intends to use for the location and construction of one or more 500 MW combined cycle generating modules (each 500 MW module is an Eligible Facility for the purposes of PUHCA and the Commission's EWG regulations). CMM anticipates that each Eligible Facility will be interconnected to the transmission system operated by the PJM Interconnection, LLC via transmission voltage facilities. CMM states that it has served this filing on the Maryland Public Service Commission, Delaware Public Service Commission, New Jersey Board of Public Utilities, Virginia State Corporation Commission, District of Columbia Public Service Commission and the Securities and Exchange Commission (SEC).

Any person desiring to intervene or to protest this filing should file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of
