Each parcel will be offered by sealed bid. All sealed bids must be received at the BLM, LVFO, 4701 N. Torrey Pines Dr., Las Vegas, Nevada, 89130, no later than 4:15 PM, PST, on March 3, 2003. Sealed bid envelopes must be marked on the lower front left corner with the parcel number and sale date. Bids must be for not less than the appraised FMV and a separate bid must be submitted for each parcel.

Each sealed bid shall be accompanied by a certified check, money order, bank draft, or cashiers check made payable to the BLM for not less than 10 percent of the amount bid. Sealed bids will be opened at 10 AM on March 4, 2003, at the BLM, LVFO.

If no sealed bids are received, the parcels will be sold to the City of Las Vegas at the appraised FMV.

The City of Las Vegas shall have the right to meet the highest bid. Refusal or failure to meet the highest bid shall constitute a waiver of the City's preferential consideration. If the City meets the highest bid, it must submit the required bid deposit by 4:15 PM on the day of the sale in the form of cash, personal check, bank draft, cashiers check, money order or any combination thereof, made payable to the BLM, for not less than 20 percent of the amount bid.

The remainder of the full bid price must be made within 180 calendar days of the sale date. Failure to pay the full price within 180 days will disqualify the apparent high bidder and cause the entire bid deposit to be forfeited to the BLM.

Federal law required bidders to be U.S. citizens 18 years of age or older; a corporation subject to the laws of any State of the United States; a State, State

instrumentality, or political subdivision authorized to hold property; or an entity including, but not limited to associations or partnerships capable of holding property or interests therein under the law of the State of Nevada. Certification of qualification, including citizenship or corporation or partnership, must accompany the bid deposit.

In order to determine the fair market value of the subject public lands through appraisal, certain assumptions have been made of the attributes and limitations of the lands and potential effects of local regulations and policies on potential future land uses. Through publication of this Notice of Realty Action, the BLM gives notice that these assumptions may not be endorsed or approved by units of local government. Furthermore, no warranty of any kind shall be given or implied by the United States as to the potential uses of the lands offered for sale, and conveyance of the subject lands will not be on a contingency basis. It is the buyers' responsibility to be aware of existing projects and use of nearby properties. When conveyed out of Federal ownership, the lands will be subject to applicable reviews and approvals by the respective unit of local government for proposed future uses, and any such reviews and approvals would be the responsibility of the buyer. Any land lacking access from a public road or highway will be conveyed as such, and future access acquisition will be the responsibility of the buyer.

Upon publication of this Notice and until the completion of the sale, the Bureau of Land Management (BLM) is no longer accepting land use applications affecting any of those parcels being offered at this sale. After publication of this Notice any application filed for rights-of-way, permits, leases, and other uses of the offered parcels will be rejected and returned to the applicant.

Detailed information concerning the sale, including the reservations, sale procedures and conditions and planning and environmental documents are available for public review at the BLM, LVFO, at 4701 N. Torrey Pines, Las Vegas, Nevada, 89130, or by calling (702) 515-5000. Appraisals for each parcel are also available for public view.

For a period of 45 days from the date of publication of this Notice in the **Federal Register**, the general public and interested parties may submit comments to the Field Manager, LVFO, 4701 N. Torrey Pines, Las Vegas, Nevada, 89130. Any adverse comments will be reviewed by the State Director, who may sustain, vacate, or modify this realty action. In

the absence of any adverse comments, this realty action will become the final determination of the Department of the Interior. The BLM may accept or reject any or all offers, or withdraw any land or interest in the land from sale, if, in the opinion of the authorized officer, consummation of the sale would not be fully consistent with FLPMA and other applicable laws or is determined not in the public's interest. Any comments received during this process, as well as the commentator's name and address, will be available to the public in the administrative record and/or pursuant to a Freedom of Information Act request. You may indicate for the record that you do not wish your name and/or address be made available to the public. Any determination by the BLM to release or withhold the names and/or addresses of those who comment will be made on a case-by-case basis. A commentator's request to have their name and/or address withheld from public release will be honored to the extent permissible by law.

The Land will not be offered for sale until at least 60 days after the date of publication of this Notice in the **Federal Register**.

II. Discussion of Rules

Certain prohibited activities other than those included in the 1992 supplementary rules were recommended in the Recreation Area Management Plan for the Sand Mountain Recreation Area prepared in 1985. These recommendations subsequently were published as specific prohibited acts in the **Federal Register** on July 1, 1992. The Plan was supplemented in 1993, and these rules require minor modification and clarification.

Certain other supplementary rules are necessary in order to provide for the safety of visitors to the Recreation Areas. Speed limits are needed on access roads and in designated camping areas. Ignition of fireworks is a violation of State law and a danger to both persons and property.

We need to clarify existing rules to protect plant life, wildlife habitat and historic resources, and we are proposing
