DEPARTMENT OF TRANSPORTATION

Research and Special Programs Administration

49 CFR Parts 192 and 195

[Docket No. RSPA-98-4868; Notice 2]

Notice of Public Meeting and Request for Comments

AGENCY: Research and Special Programs Administration (RSPA), DOT.

ACTION: Notice of public meeting and request for comments.

SUMMARY: This notice announces a public meeting and an opportunity to submit written comments on the safety regulation of gas and hazardous liquid gathering lines. Congress has directed RSPA to define "gathering line" for gas and hazardous liquid pipeline transportation and, if appropriate, define as "regulated gathering line" those rural gathering lines that, because of specific physical characteristics, should be regulated. The gas pipeline regulations do not clearly distinguish gathering lines from production facilities and transmission lines. This lack of clarity has caused many disputes between government and industry over whether the regulations cover particular pipelines. The current definition of hazardous liquid gathering has worked well. We will consider all public comments in developing future proposals on gathering lines.

DATES: The public meeting will occur Wednesday, November 19, 2003, from 1 pm to 5 pm, and Thursday, November 20, 2003, from 8 am to 5 pm.

ADDRESSES: The meeting will take place at the Omni Austin Hotel, 700 San

Jacinto Blvd, Austin, Texas 78701 (phone: 512-476-3700). If you want to make an oral presentation, please notify Janice Morgan by November 14, 2003, by phone (202-366-2392) or by e-mail (janice.morgan@rspa.dot.gov), and state the approximate length of your presentation. In addition, you may submit written comments to the docket by December 19, 2003. Late filed comments will be considered as far as practicable. You may submit written comments by mail or delivery to the Dockets Facility, U.S. Department of Transportation, Room PL-401, 400 Seventh Street, SW., Washington, DC 20590-0001. It is open from 10 am to 5 pm, Monday through Friday, except Federal holidays. All written comments should identify the docket and notice numbers stated in the heading of this notice.
