

entries covered by this review if any importer- or customer-specific assessment rate calculated in the final results of these reviews is above *de minimis* (i.e., at or above 0.50 percent). See 19 CFR 351.106(c)(1). For entries of the subject merchandise during the POR from companies not subject to these reviews, we will instruct the Customs Service to liquidate them at the cash deposit rate in effect at the time of entry. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of these reviews and for future deposits of estimated duties, where applicable.

Cash Deposit Requirements

Bonding will no longer be permitted to fulfill security requirements for shipments from Guangxi Yulin of certain preserved mushrooms from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of the new shipper review. Furthermore, the following cash deposit requirements will be effective upon publication of the final results of the new shipper review for all shipments from Guangxi Yulin of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date: (1) For subject merchandise manufactured and exported by Guangxi Yulin, we will require a cash deposit at the rate established in the final results; and (2) for subject merchandise exported by Guangxi Yulin but not manufactured by it, the cash deposit will be the PRC countrywide rate (i.e., 198.63 percent).

The following deposit requirements will be effective upon publication of the final results of the antidumping administrative review for all shipments of certain preserved mushrooms from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(1) of the Act: (1) The cash deposit rate for each respondent listed above will be the rate established in the final results; (2) the cash deposit rate for PRC exporters who received a separate rate in a prior segment of the proceeding and for whom there was no request for administrative review (e.g., China Processed and Raoping Xingyu) will continue to be the rate assigned in that segment of the proceeding; (3) the cash deposit rate for the PRC NME entity (including Shenzhen Qunxingyuan and Zhangzhou Jingxiang) will continue to be 198.63 percent; and (4) the cash deposit rate for non-PRC exporters of subject merchandise from the PRC will be the rate applicable to the PRC

supplier of that exporter. These requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

These administrative and new shipper reviews and notice are in accordance with sections 751(a)(1), 751(a)(2)(B), and 777(i)(1) of the Act and 19 CFR 351.221(b).

Assistant Secretary for Import Administration.

[I.D. 022603D]

Marine Mammals; Notice of Intent to Prepare an Environmental Impact Statement for Issuing Annual Gray Whale Subsistence Quotas to the Makah Indian Tribe for the years 2003 through 2007

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of intent to prepare an Environmental Impact Statement (EIS); request for written comments.

SUMMARY: NMFS announces its intention to prepare an EIS, in accordance with the National Environmental Policy Act, to assess the impacts of issuing annual subsistence quotas for gray whales to the Makah Tribe for the years 2003 through 2007. NMFS solicits comments and information to facilitate this analysis.

DATES: Comments and information must be postmarked by April 21, 2003.

ADDRESSES: Written comments should be sent to Chief, Marine Mammal Division (F/PR2), Office of Protected

Resources, National Marine Fisheries Service, 13th Floor, 1315 East-West Hwy, Silver Spring, MD 20910. Please mark the outside of the envelope with "Comments on Gray Whale Analysis." Comments will not be accepted if submitted via e-mail or internet.

FOR FURTHER INFORMATION CONTACT:

Chris Yates, 301-713-2322.

SUPPLEMENTARY INFORMATION: At its 2002 annual meeting, the International Whaling Commission (IWC) approved a quota of 620 gray whales for an aboriginal subsistence harvest for the years 2003 through 2007. The basis for the quota was a joint request by the Russian Federation (for a total of 600 whales) and the United States (for a total of 20 whales). The subsistence and ceremonial needs of the Makah Indian Tribe were the foundation of the United States' request to the IWC.

On December 20, 2002, the Ninth Circuit Court of Appeals reversed a district court ruling that upheld NMFS' issuance of a quota to the Makah Tribe to hunt a limited number of gray whales for aboriginal subsistence purposes in 2001 and 2002. See *Anderson v. Evans*, 314 F.3d 1006 (9th Cir. 2002). The Federal Government is currently considering whether to request rehearing of *Anderson v. Evans*. Subject to the outcome of a possible rehearing, NMFS is preparing an EIS on the issuance of annual quotas to the Makah Tribe for a subsistence hunt on gray whales for the years 2003 through 2007. NMFS is evaluating the following four alternatives:

Alternative 1 - Grant the Makah Tribe a quota of 5 whales per year over 5 years though annual quotas with restrictions that would allow a limited hunt on the gray whale summer feeding aggregation and limit the harvest to 20 landed whales over 5 years.

Alternative 2 - Grant the Makah Tribe a quota of 5 whales per year over 5 years through annual quotas with restrictions to target the hunt on migrating whales and limit the harvest to 20 landed whales over 5 years.

Alternative 3 - Grant the Makah Tribe a quota of 5 whales per year over 5 years through annual quotas without time or area restrictions. The hunt would be limited to 20 landed whales over 5 years.

Alternative 4 - (No Action) - Do not grant the Makah Tribe a quota.

Information Solicited

To ensure that the review is comprehensive and based on the best available information, NMFS is soliciting information and comments from any interested party concerning

the issuance of annual gray whale quotas of 5 whales per year over 5 years to the Makah Tribe for the years 2003 through 2007. NMFS is particularly interested in any new information on the affected environment or environmental consequences that has become available since the last analysis was completed. It is requested that data, information, and comments be accompanied by (1) supporting documentation, and (2) the name, address, and affiliation of person submitting data. Following the issuance of the draft EIS NMFS will solicit additional public input.
