Classification

This rule has been determined to be not significant for purposes of Executive Order 12866 and, therefore, has not been reviewed by the Office of Management and Budget (OMB).

Civil Justice Reform

In accordance with this rule: (1) All State and local laws and regulations that are in conflict with this rule will be preempted, (2) no retroactive effect will be given to this rule, and (3) administrative proceedings in accordance with 7 CFR part 11 must be exhausted before bringing suit in court challenging action taken under this rule, unless those regulations specifically allow bringing suit at an earlier time.

Regulatory Flexibility Act

The Administrator of the Rural Housing Service has determined that this rule will not have a significant economic impact on a substantial number of small entities as defined in the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*). New provisions included in this rule will not impact a substantial number of small entities to a greater extent than large entities. Therefore, a regulatory flexibility analysis was not performed.

Paperwork Reduction Act

There are no new reporting and recordkeeping requirements associated with this rule.

Unfunded Mandates Reform Act

This rule contains no Federal mandates (under the regulatory provisions of Title II of the Unfunded Mandates Reform Act of 1995) for State, local, and tribal governments or the private sector. Thus, this rule is not subject to the requirements of sections

202 and 205 of the Unfunded Mandates Reform Act of 1995.

Environmental Impact Statement

This document has been reviewed in accordance with 7 CFR part 1940, subpart G, "Environmental Program." RHS has determined that this action does not constitute a major Federal action significantly affecting the quality of the human environment, and, in accordance with the National Environmental Policy Act of 1969, Pub. L. 91-190, an Environmental Impact Statement is not required.

Programs Affected

The program affected is listed in the Catalog of Federal Domestic Assistance under Number 10.766, Community Facilities Loans and Grants.

Intergovernmental Review

The Community Facilities loan and grant program is subject to the provisions of Executive Order 12372, which requires intergovernmental consultation with State and local officials. RHS will conduct intergovernmental consultation in the manner delineated in RD Instruction 1940-J, "Intergovernmental Review of Rural Development Programs and Activities," and in 7 CFR part 3015, subpart V.

Background

RHS administers the Community Facilities loan program pursuant to 7 CFR part 1942, subpart A, designed to develop essential community facilities for public use in rural areas. These facilities include schools, libraries, childcare, hospitals, medical clinics, assisted-living facilities, fire and rescue stations, police stations, community centers, public buildings, and transportation. Loans are available to public entities such as municipalities, counties, and special-purpose districts, as well as to nonprofit corporations and tribal governments. Loan funds may be used to construct, enlarge, or improve community facilities for health care, public safety, and public services.

Regulations pursuant to 7 CFR part 1942, subpart C, entitled Fire and Rescue Loans, administered by RHS have allowed a streamlined process for application development of essential community facility projects meeting the definition of fire and rescue projects. RHS is amending its regulations to

establish rules and regulations to include all essential community facility projects under \$300,000 currently defined under 7 CFR part 1942.17(d) to utilize the authority granted for Fire and Rescue loans pursuant to 7 CFR part 1942, subpart C. This will allow all essential community facility applicants to utilize the streamlined process for projects of \$300,000 and under.

9 CFR Part 77

[Docket No. 03-044-2]

Tuberculosis in Cattle and Bison; State Designations; New Mexico

AGENCY: Animal and Plant Health Inspection Service, USDA.

ACTION: Affirmation of interim rule as final rule.

SUMMARY: We are adopting as a final rule, without change, an interim rule that amended the regulations regarding State and zone classifications by

removing New Mexico from the list of accredited-free States and adding it to the list of modified accredited advanced States. The interim rule was necessary to help prevent the spread of tuberculosis because New Mexico no longer meets the requirements for accredited-free State status.

EFFECTIVE DATE: The interim rule became effective on July 24, 2003.

FOR FURTHER INFORMATION CONTACT: Dr. Terry Beals, Senior Staff Veterinarian, Eradication and Surveillance Team, National Center for Animal Health Programs, VS, APHIS, 4700 River Road Unit 43, Riverdale, MD 20737-1231; (301) 734-5467.

SUPPLEMENTARY INFORMATION:

Background

In an interim rule effective and published in the **Federal Register** on July 24, 2003 (68 FR 43618-43621, Docket No. 03-044-1), we amended the tuberculosis regulations in 9 CFR part 77 by removing New Mexico from the list of accredited-free States in § 77.7 and adding it to the list of modified accredited advanced States in § 77.9.

Comments on the interim rule were required to be received on or before September 22, 2003. We received one comment by that date, from a supplier of roping animals.

The commenter suggested that, given the size of the State of New Mexico and the variety of the cattle industries contained therein, a more beneficial course of action would be to split the State and designate each portion separately.

While the regulations do provide for the establishment of zones of classification within a State, such split State status must be requested by a State animal health official in accordance with § 77.4 and approved by the Administrator in accordance with § 77.3. We have not thus far received such a request from the State of New Mexico.

Therefore, for the reasons given in the interim rule and in this document, we are adopting the interim rule as a final rule without change.

This action also affirms the information contained in the interim rule concerning Executive Order 12866 and the Regulatory Flexibility Act, Executive Orders 12372 and 12988, and the Paperwork Reduction Act.

Further, for this action, the Office of Management and Budget has waived its review under Executive Order 12866.
