#### SUPPLEMENTARY INFORMATION:

##### Background

On May 22, 2002, the Department published in the **Federal Register** its

amended final affirmative countervailing duty determination and countervailing duty order on certain softwood lumber products (subject merchandise) from Canada (67 FR 36070), as corrected, 67 FR 37775 (May 30, 2002) (*Amended Final Determination*). On July 17, 2002, the Department published the *Notice of Initiation of Expedited Reviews of the Countervailing Duty Order: Certain Softwood Lumber Products From Canada*, 67 FR 46955 (July 17, 2002) (*Notice of Initiation/Round 1*), which covered 73 companies that filed complete and timely review applications. On September 20, 2002, the Department published the *Notice of Initiation of Expedited Reviews of the Countervailing Duty Order: Certain Softwood Lumber Products from Canada*, 67 FR 59252 (September 20, 2002) (*Notice of Initiation/Round 2*), which covered 31 additional companies. This notice included 23 companies that had corrected their applications as well as eight companies whose requests were received after the initial application deadline for reasons outside the requesters' control.

As explained in the *Notice of Initiation/Round 1*, we segregated the 73 Round 1 applicants into two groups. Group 1 consists of 45 companies which obtain the majority of their wood (over 50 percent of their inputs) from the United States, the Maritime Provinces, Canadian private lands, and Canadian companies excluded from the order, and companies that source less than a majority of their wood from these sources and do not have tenure. Group 2 includes 28 companies that have tenure contracts and source less than a majority of their wood from these sources. Of the 31 companies in Round 2, we similarly segregated 23 companies into Group 1 and eight companies into Group 2.

With respect to the Group 1 companies, on August 14, 2002, the Department issued a notice of preliminary results covering 18 companies. See *Preliminary Results of Countervailing Duty Expedited Reviews: Certain Softwood Lumber Products from Canada*, 67 FR 52945 (August 14, 2002) (*August Preliminary Results*). On November 5, 2002, the Department issued a notice of final results for 13 of the 18 companies covered in the *August Preliminary results*. Of the five remaining companies, two companies requested an analysis of whether they benefitted from subsidies bestowed on their inputs and we deferred a notice of final results for the other three companies to allow interested parties to comment on the verification reports.
