Federal Energy Regulatory Commission

[Docket No. D102-3-002]

AquaEnergy Group Ltd.; Notice of Combined Initial Information Meeting and Scoping Meeting, Site Visit, and Solicitation of Scoping Comments

August 8, 2003.

The Federal Energy Regulatory Commission's (Commission) regulations allow applicants to prepare their own Environmental Assessment (EA) for hydropower projects and file it with the Commission along with their license application as part of an alternative licensing procedure (ALP).¹ On July 22, 2003, the Commission noticed the request of AquaEnergy Group Ltd. (AquaEnergy) to use the ALP and set a deadline for comments of August 21, 2003. AquaEnergy wishes to hold combined Initial Information/Scoping Meetings on August 26 and 27, 2003. Because the Commission will need ample time to fully consider comments received from interested stakeholders on AquaEnergy's request to use the ALP, the Commission may not have decided on AquaEnergy's request to use the ALP

prior to the combined meetings. However, the ALP allows greater flexibility than the traditional licensing process, and the Commission believes that it is in the public interest to solicit scoping comments in this notice. The Commission has not pre-judged AquaEnergy's request to use the ALP.

Public Meeting and Site Visit

AquaEnergy distributed a combined Initial Information Package (IIP)/ Scoping Document 1 (SD1) for the Makah Bay Offshore Wave Energy Pilot Project on August 5, 2003, to the mailing list for this proceeding. AquaEnergy will hold combined Initial Information/Scoping Meetings on Tuesday, August 26 and Wednesday, August 27, 2003. The purposes of the meetings are to review the information presented in the IIP/SD1 and to initiate the identification of areas of interest that should be addressed in the licensing and any related Applicant-Prepared Environmental Assessment (APEA) processes. The meetings will be held as follows:

Agency Meeting

When: Tuesday, August 26, 2003, 5 p.m.-6 p.m.

Where: Makah Tribal Offices, Neah Bay, Washington.

Public Meeting

When: Tuesday, August 26, 2003, 7 p.m.-9 p.m.

Where: Makah Tribal Community Center, Neah Bay, Washington.

Public Meeting

When: Wednesday, August 27, 2003, 7 p.m.-9 p.m.

Where: Clallam County Public Utility District, 2431 Highway 101 East, Port Angeles, Washington.

AquaEnergy will also conduct a site visit to the project on Tuesday, August 26, 2003. Those wishing to attend the site visit should meet at Makah Tribal Council Offices in Neah Bay, Washington. Please RSVP Mary Jane Parks, AquaEnergy, at (626) 253-1981, if you plan to attend the site visit.

The deadline for filing comments is September 26, 2003. All documents (an original and eight copies) should be filed with: Magalie R. Salas, Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

Scoping comments may be filed electronically via the Internet in lieu of paper. The Commission strongly encourages electronic filings. See 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web
