Determination under the African Growth and Opportunity Act (AGOA)

March 25, 2003.

AGENCY: Committee for the Implementation of Textile Agreements (CITA).

ACTION: Determination.

SUMMARY: The Committee for the Implementation of Textile Agreements (CITA) has determined that handloomed fabric and handmade articles made from such handloomed fabric that are produced in and exported from Swaziland qualify for preferential treatment under Section 112(a) of the African Growth and Opportunity Act (AGOA). Therefore, imports of eligible products from Swaziland with an appropriate AGOA Visa will qualify for duty-free treatment under the AGOA.

EFFECTIVE DATE: April 14, 2003.

FOR FURTHER INFORMATION CONTACT: Anna Flaaten, International Trade Specialist, Office of Textiles and Apparel, U.S. Department of Commerce, (202) 482-3400.

SUPPLEMENTARY INFORMATION: The African Growth and Opportunity Act (Title I of the Trade and Development Act of 2000, Pub. L. No. 106-200)(AGOA) provides preferential tariff treatment for imports of certain textile and apparel products of beneficiary sub-Saharan African countries. In a letter to the Commissioner of Customs dated January 18, 2001, the United States Trade Representative directed Customs to require that importers provide an appropriate export visa from a beneficiary sub-Saharan African country to obtain preferential treatment under section 112(a) of the AGOA (66 FR 7837). The first digit of the visa number corresponds to one of 9 groupings of textile and apparel products that are eligible for preferential tariff treatment. Grouping "9" is reserved for Handmade, handloomed, or folklore articles.

In Section 2 of Executive Order 13191 of January 17, 2001, the Committee for the Implementation of Textile Agreements is authorized to "consult with beneficiary sub-Saharan African countries and to determine which, if any, particular textile and apparel goods shall be treated as being handloomed, handmade, or folklore articles" (66 FR 7272). Consultations were held on March 5, 2003 and CITA has now determined that handloomed fabrics and handmade articles made from such handloomed fabrics produced in and exported from Swaziland are eligible for

preferential tariff treatment under section 112(a) of the AGOA. In the letter published below, CITA directs the Commissioner of Customs to allow entry of such products of Swaziland under Harmonized Tariff Schedule provision 9819.11.27, when accompanied by an appropriate export visa in Grouping "9".

Background

On February 24, 1998, we published in the **Federal Register** (63 FR 9376-9378) a notice inviting applications for new awards under the Regional Resource Center Program for Fiscal Year 1998. Based on this notice, the Department made six awards of 56 months under 34 CFR 75.105(c)(3) and the Individuals with Disabilities Education Act (IDEA). Section 685 of IDEA authorizes the Secretary to support the establishment of Regional Resource Centers (RRCs). These Centers provide technical assistance and information that support States and local agencies in building capacity to improve early intervention, educational, and transitional services and results for children with disabilities and their families, and address systemic-change goals and priorities. The grant period for the six centers ends May 31, 2003.

In order to carry out activities related to implementing an initiative of the Office of Special Education Programs (OSEP) to identify and disseminate alternative approaches to identifying children with learning disabilities, it is necessary to issue continuation awards to the existing grantees. Specifically, the current RRCs are helping to conduct a survey in each of their regions to collect information on the ways that States identify children with learning disabilities.

In particular, the Secretary plans for the RRCs to work with staff of OSEP, the Kennedy Center Research Program on Learning Accommodations for Individuals with Special Needs at Vanderbilt University, State educational agencies, regional in-state technical assistance systems and other State and local agencies to:

(1) Develop a coordinated plan for identifying sites within each RRC region using alternative approaches for identification of children with learning disabilities;

(2) Assist in efforts to provide or gather evidence of the value of more effective approaches for addressing the needs of children with learning disabilities; and

(3) Use research-based dissemination, training, and technical assistance to extend and increase effective practices in the area of learning disabilities.

The RRCs will also work with centers providing technical assistance to projects funded under the Training and Information for Parents of Children with Disabilities program to continue to foster improved collaboration on the No Child Left Behind Act of 2001 and IDEA, which will improve results for children with disabilities.

In addition, the Secretary plans for the RRCs to provide continued assistance to State educational agencies for Part B and the lead agencies for Part C in each region to support their implementation of continuous improvement and focused monitoring activities.

Reasons

There is an immediate need to provide training and information to the populations that will be targeted by these efforts. Providing continuous support to existing grantees will help ensure the success of these efforts by avoiding the possible disruption or interruption of activities resulting from a change in grantees. Waiting until after a new RRC competition to begin this important work would severely hinder the Department's efforts to address the critical needs that are now present in the regions. The current RRCs have already conducted extensive training and information activities related to State implementation of the IDEA Amendments of 1997 and are best suited to conduct this effort. We have determined that an additional period of time is needed to begin the additional technical assistance and training activities described in this notice.

Therefore, the Secretary proposes to issue continuation awards to the current grantees for twelve (12) months. A one-year time extension beginning June 1,
