## DEPARTMENT OF EDUCATION

[CFDA No. 84.310A]

### Office of Innovation and Improvement; Parental Information and Resource Centers Program

**AGENCY:** Department of Education.

**ACTION:** Notice inviting applications for new awards for fiscal year (FY) 2003; Correction.

On June 3, 2003, we published in the **Federal Register** (68 FR 33332) a notice

inviting applications for new awards under the Parental Information and Resource Centers (PIRC) program. In that notice, we announced that each "novice applicant" would receive a competitive preference of 10 points. Upon further reflection, in order to encourage the submission of applications from novice applicants and to ensure that only the highest quality applications are funded, the Secretary is amending this competitive preference. The Secretary will award 10 additional points only to those novice applicants that rank among the ten highest scoring of all novice applicants on the basis of the selection criteria and the other competitive preference for this competition. In other words, only the ten highest ranked novice applicants, rather than all novice applicants, will be awarded priority points under the novice applicant preference.

The Secretary also reminds all applicants that section 5563(b) of the Elementary and Secondary Education Act (ESEA), as amended, requires each PIRC grantee to meet several specific conditions. The Secretary strongly encourages all applicants to review each of these conditions carefully to ensure that their applications appropriately address these specific requirements. For example, each applicant must (a) use at least 30 percent of the funds received under the program each year to establish, expand, or operate Parents as Teachers programs, Home Instruction for Preschool Youngsters programs, or other early childhood parent education programs; (b) use at least 50 percent of the funds received under the program each year to serve areas with high concentrations of low-income families, in order to serve parents who are severely educationally or economically disadvantaged; and (c) establish a special advisory committee as described in section 5563(b)(2) of the ESEA.

Consistent with section 5562(b) of the ESEA, in awarding funds under this competition, the Secretary will ensure, to the extent practicable, that grants are distributed in all geographic regions of the United States.
