**Federal Prevailing Rate Advisory Committee; Open Committee Meetings**

According to the provisions of section 10 of the Federal Advisory Committee Act (Pub. L. 92-463), notice is hereby given that meetings of the Federal Prevailing Rate Advisory Committee will be held on Thursday, January 15, 2004; Thursday, January 29, 2004; Thursday, February 12, 2004; and Thursday, February 26, 2004.

The meetings will start at 10 a.m. and will be held in Room 5A06A, Office of Personnel Management Building, 1900 E Street, NW., Washington, DC.

The Federal Prevailing Rate Advisory Committee is composed of a Chair, five representatives from labor unions holding exclusive bargaining rights for Federal blue-collar employees, and five representatives from Federal agencies. Entitlement to membership on the Committee is provided for in 5 U.S.C. 5347.

The Committee's primary responsibility is to review the Prevailing Rate System and other matters pertinent to establishing prevailing rates under subchapter IV, chapter 53, 5 U.S.C., as amended, and from time to time advise the Office of Personnel Management.

This scheduled meeting will start in open session with both labor and management representatives attending. During the meeting either the labor members or the management members may caucus separately with the Chair to devise strategy and formulate positions. Premature disclosure of the matters discussed in these caucuses would unacceptably impair the ability of the Committee to reach a consensus on the matters being considered and would disrupt substantially the disposition of its business. Therefore, these caucuses will be closed to the public because of a determination made by the Director of the Office of Personnel Management under the provisions of section 10(d) of the Federal Advisory Committee Act (Pub. L. 92-463) and 5 U.S.C. 552b(c)(9)(B). These caucuses may, depending on the issues involved, constitute a substantial portion of a meeting.

Annually, the Chair compiles a report of pay issues discussed and concluded recommendations. These reports are available to the public, upon written request to the Committee's Secretary.

The public is invited to submit material in writing to the Chair on Federal Wage System pay matters felt to be deserving of the Committee's attention. Additional information on this meeting may be obtained by contacting the Committee's Secretary, Office of Personnel Management, Federal Prevailing Rate Advisory Committee, Room 5538, 1900 E Street, NW., Washington, DC 20415 (202) 606-1500.

Dated: December 11, 2003.

**Rule 17Ad-16—Notice of Assumption or Termination of Transfer Agent Services**

Rule 17Ad-16, 17 CFR 240.17Ad-16, under the Securities Exchange Act of 1934, requires a registered transfer agent to provide written notice to a qualified registered securities depository when assuming or terminating transfer agent services on behalf of an issuer or when changing its name or address. These recordkeeping requirements address the problem of certificate transfer delays caused by transfer requests that are directed to the wrong transfer agent or the wrong address.

Given that there are approximately 450 submit Rule 17Ad-16 notices, the staff estimates that the average number of hours necessary for each transfer agent to comply with Rule 17Ad-16 is approximately 15 minutes per notice or 3.5 hours per year, totaling 1,575 hours industry-wide. The average cost per hour is approximately \$30 per hour, with the industry-wide cost estimated at approximately \$47,250. However, the information required by Rule 17Ad-16 generally already is maintained by registered transfer agents. The amount of time devoted to compliance with

Rule 17Ad-16 varies according to differences in business activity.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information on respondents; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Considerations will be given to comments and suggestions submitted in writing within 60 days of this publication.
