Number of Annual Responses: 20,100.

Description: The Division of Coal Mine Workers' (DCMWC) is responsible for maintaining a list of authorized treating physicians and medical facilities in the area of the miner's residence and for payment of certain medical bills for services and supplies provided to the miner under the Black Lung Benefits Act [30 U.S.C. 901 *et seq.*, 20 CFR 725.704(a) and 725.705(b)].

The OWCP-1168 is used to obtain profile information on each provider such as tax identification number, specialty, and addresses. Failure to obtain this data will prolong the bill payment process and increase the burden on providers by requiring them to resubmit bills that were previously rejected by DCMWC due to inadequate provider information.
