SUPPLEMENTARY INFORMATION:

Summary of Collection

The Department of Defense established TRICARE Plus as an

enrollment option for persons who are eligible for care in Military Treatment Facilities (MTF) and not enrolled in TRICARE Prime. TRICARE Plus provides an opportunity to enroll with a primary care provider at a specific MTF, to the extent capacity exists. This is a way to facilitate primary care appointments at an MTF when needed. TRICARE Plus enrollment will help MTFs maintain an adequate clinical case mix for Graduate Medical Education programs and support readiness-related medical skills sustainment activities. In order to carry out this program, it is necessary that certain beneficiaries electing to enroll/disenroll in TRICARE Plus complete an enrollment application/disenrollment request. Completion of the enrollment forms is an essential element of the TRICARE program. There is no lock-in and no enrollment fee for TRICARE Plus.
