The comments that are submitted will be summarized and included in the NARA request for Office of Management and Budget (OMB) approval. All comments will become a matter of public record. In this notice, NARA is soliciting comments concerning the following information collections:

1. *Title:* Application for attendance at the Institute for the Editing of Historical Documents.

OMB number: 3095-0012.

Agency form number: None.

Type of review: Regular.

Affected public: Individuals, often already working on documentary editing projects, who wish to apply to attend the annual one-week Institute for the Editing of Historical Documents, an intensive seminar in all aspects of modern documentary editing techniques taught by visiting editors and specialists.

Estimated number of respondents: 25.
Estimated time per response: 1.5 hours.

Frequency of response: On occasion, no more than annually (when respondent wishes to apply for attendance at the Institute).

Estimated total annual burden hours: 37.5 hours.

Abstract: The application is used by the NHPRC staff to establish the applicant's qualifications and to permit selection of those individuals best qualified to attend the Institute jointly sponsored by the NHPRC, the Wisconsin Historical Society, and the University of Wisconsin. Selected applicants' forms are forwarded to the resident advisors of the Institute, who use them to determine what areas of instruction would be most useful to the applicants.

You can also use NARA's Web site at <http://www.archives.gov/nhprc/forms/editing-application.pdf> to review and fill in the application.

2. *Title:* National Historical Publications and Records Commission Grant Program.

OMB number: 3095-0013.

Agency form number: None.

Estimated time per response: 54 hours per application; 2 hours per narrative report.

Frequency of response: On occasion for the application; semiannually for the narrative report. Currently, the NHPRC considers grant applications 2 times per year; respondents usually submit no more than one application per year.

Estimated total annual burden hours: 8,392 hours.

Abstract: The NHPRC is changing the way it provides information about its grant program. The previously all inclusive grant guidelines booklet is being replaced by a suite of announcements where the information will be specific to the grant opportunity named. The basic information collection remains the same. The grant proposal is used by the NHPRC staff, reviewers, and

the Commission to determine if the applicant and proposed project are eligible for an NHPRC grant, and whether the proposed project is methodologically sound and suitable for support. The narrative report is used by the NHPRC staff to monitor the performance of grants.

You can also use NARA's Web site at <http://www.archives.gov/nhprc/guidelines/index.html> to review the guidelines. The forms used to apply for a grant can be found at <http://www.archives.gov/nhprc/forms/>.

The IMLS provides a variety of grant programs to assist the nation's museums and libraries in improving their operations and enhancing their services to the public. Museums and libraries of all sizes and types may receive support from IMLS programs. The Museum and Library Services Act of 2003 includes a strong emphasis on supporting museums and libraries to carry out their educational role as core providers of learning and in conjunction with schools, families and communities. This solicitation is to develop plans to collect information to assist IMLS in understanding the needs and trends of museums and libraries, as well as the impact and effectiveness of museum and library programs that provide services to America's youth.

II. Current Actions

The Institute of Museum and Library Services, in accordance with the Museum and Library Services Act of 2003, is authorized to identify needs and trends of museum and library services, report on the impact and effectiveness, and identify best practices of programs conducted with funds made available by the Institute. Current

research initiatives include analysis of grants made to museums and libraries in the area of youth development services between 1997 and 2003 to identify needs, trends, and exemplary practices, and to gain an understanding of the outcomes of such grants. A survey will be undertaken to solicit information from past grantees about the results of their programs. A small number of these grantees will be interviewed by phone. These information collections will be developed based on what is needed to undertake an analysis and case studies of grant results. NATIONAL INDIAN GAMING COMMISSION

Supplemental Notice of Intent to Prepare an Environmental Impact Statement for the Proposed Federated Indians of the Graton Rancheria Casino and Hotel Project, Sonoma, CA

AGENCY: National Indian Gaming Commission (NIGC).

ACTION: Supplemental Notice of Intent (SNOI).

SUMMARY: In accordance with Section 102(2)(C) of the National Environmental Policy Act (NEPA) 42 U.S.C. 4321 *et seq.*, the NIGC, in cooperation with the Federated Indians of the Graton Rancheria (the "Graton Rancheria"), intends to gather information necessary

for preparing an Environmental Impact Statement (EIS) for a proposed casino and hotel project to be located in Sonoma, California. This notice supplements the Notice of Intent (NOI) which appeared in the **Federal Register** on February 12, 2004 (69 FR 7022 (Feb. 12, 2004)) and advises the public that the NIGC and BIA intends to gather further information necessary to prepare an EIS for a proposed casino and hotel project to be located in Sonoma County, California. The purpose of the proposed action is to help address the socio-economic needs of the Federated Indians of Graton Rancheria. The proposed action is very similar to that proposed in the February 12, 2004, NOI, with the exception that the casino and hotel would be constructed adjacent to and on the east side of the previously proposed site. The shift of the proposed construction site is being considered to avoid environmental constraints discovered on the original site, particularly, to avoid wetlands identified on the original site. Additional details of the new proposed action and location are provided below in the Supplemental Information section. The supplemental scoping process will include notification of and opportunity for the general public and Federal, state, local, and tribal agencies to comment on the new proposed action. The purpose of scoping is to identify public and agency concerns on environmental issues, and alternatives to be considered in the EIS. All the information and comments gathered in response to the earlier NOI remain in the record, and there is no need to repeat information submitted at that time.

DATES: A public scoping meeting will be held on October 19, 2005 from 6 p.m. to 8:30 p.m., or until the last public comment is received. Written comments on the scope of the EIS should arrive by *November 4, 2005*.

ADDRESSES: Written comments on the scope of the EIS should be addressed to: Brad Mehaffy, NEPA Compliance Officer, National Indian Gaming Commission, 1441 L Street, NW., Suite 9100, Washington DC 20005.

Please include your name, return address, and caption: "EIS Scoping Comments, Graton Rancheria Casino and Hotel Project", on the first page of your written comments. The agency scoping meeting will be hosted by the NIGC and the Federated Indians of the Graton Rancheria. The public scoping meeting will also be hosted by the NIGC and the Federated Indians of the Graton Rancheria. The public scoping meeting will be held at the Spreckels Performing
