SUPPLEMENTARY INFORMATION: In 2004, as
part of the outreach efforts on
courthouse accessibility, the Access
Board established a Federal advisory
committee to advise the Access Board
on issues related to the accessibility of
courthouses, particularly courtrooms,
including best practices, design
solutions, promotion of accessible
features, educational opportunities, and
the gathering of information on existing
barriers, practices, recommendations,
and guidelines. On October 12, 2004,
the Access Board published a notice
appointing 31 members to the
Courthouse Access Advisory
Committee. 69 FR 60608 (October 12,
2004). Members of the Committee

include designers and architects,
disability groups, members of the
judiciary, court administrators,
representatives of the codes community
and standard-setting entities,
government agencies, and others with
an interest in the issues to be explored.
The Committee held its initial meeting
on November 4 and 5, 2004. Members
discussed the current requirements for
accessibility, committee goals and
objectives and the establishment of
subcommittees. The second meeting of
the Committee was held in February,
2005. The Committee toured two
courthouses and established three
subcommittees: Education, Courtrooms
and Courthouses (areas unique to
courthouses other than courtrooms).
The third meeting of the Committee was
held in May, 2005. Members of the
Committee toured a courthouse and
continued work in the three
subcommittees. Minutes of the meetings
may be found on the Access Board's
Web site at [http://www.access-
board.gov/caac/index.htm](http://www.access-board.gov/caac/index.htm). At the
August meeting of the Committee,
members will continue to address issues
both as a full Committee and in
subcommittees.

Committee meetings are open to the
public and interested persons can attend
the meetings and communicate their
views. Members of the public will have
an opportunity to address the
Committee on issues of interest to them
and the Committee during public
comment periods scheduled on each
day of the meeting. Members of groups
or individuals who are not members of
the Committee are invited to participate
on the subcommittees. The Access
Board believes that participation of this
kind can be very valuable for the
advisory committee process.

The meeting will be held at a site
accessible to individuals with
disabilities. Real-time captioning will be
provided. Individuals who require sign
language interpreters should contact
Elizabeth Stewart by July 21, 2005.
Notices of future meetings will be
published in the **Federal Register**.
