2. **Cost Sharing or Matching:** This program does not require cost sharing or matching.

IV. Application and Submission Information

1. **Address to Request Application Package:** Both IHEs and student applicants may obtain an application package via the Internet by downloading the package from the program Web site: <http://www.ed.gov/programs/iegpsddrap/index.html>.

IHEs and student applicants may also obtain a copy of the application package by contacting Carla White, International Education Programs Service, U.S. Department of Education, 1990 K Street, NW, Suite 6000, Washington, DC 20006-8521. Telephone: (202) 502-7700 or by e-mail: ddra@ed.gov.

Individuals with disabilities may obtain a copy of the application package in an alternative format (e.g., Braille, large print, audiotape, or computer diskette) by contacting the program contact person listed in this section.

2. *Content and Form of Application Submission:* Requirements concerning the content of an application, together with the forms to be submitted, are in the application package for this program.

Page Limit: The application narrative is where the student applicant addresses the selection criteria that reviewers use to evaluate the application. The student applicant must limit the narrative to the equivalent of 10 pages and the bibliography to the equivalent of two (2) pages, using the following standards:

- A "page" is 8.5" x 11", on one side only, with 1" margins at the top, bottom, and both sides.
- Double space (no more than three lines per vertical inch) all text in the application narrative. However, student applicants may single space all text in charts, tables, figures, graphs, titles, headings, footnotes, endnotes, quotations, bibliography, and captions.
- Use a font that is either 12-point or larger or no smaller than 10 pitch (characters per inch).
- Student applicants may use a 10-point font in charts, tables, figures, graphs, footnotes, and endnotes. However, these items are considered

part of the narrative and counted within the 10 page limit.

- Use one of the following fonts: Times New Roman, Courier, Courier New or Arial. Applications submitted in any other font (including Times Roman, Arial Narrow) will not be accepted.

The page limits only apply to the application narrative and bibliography. However, student applicants must include their complete responses to the selection criteria in the application narrative.

We will reject a student applicant's application if—

- A student applicant applies these standards and exceeds the page limits; or
- A student applicant applies other standards and exceeds the equivalent of the page limits.

3. *Submission Dates and Times:*

Applications Available: October 11, 2005.

Deadline for Transmittal of Applications: In light of the damage caused by Hurricanes Katrina and Rita we are establishing two separate deadlines for the submission of applications for grants under this competition to permit potential applicants affected by Hurricanes Katrina and/or Rita additional time to submit their applications. We are establishing a *General Deadline* for all applicants, and an *Extended Deadline* for potential applicants who have been affected by Hurricanes Katrina and/or Rita and are located in Louisiana, Texas,

Alabama, Mississippi, and Florida. Specifically, the *Extended Deadline* applies only to: (1) institutions of higher education, SEAs, LEAs, non-profit organizations and other public or private organization applicants that are located in a federally-declared disaster area as determined by the Federal Emergency Management Agency (FEMA) (see <http://www.fema.gov/news/disasters.fema>) and that were adversely affected by Hurricanes Katrina and/or Rita, and (2) individual applicants who reside or resided, on the disaster declaration date, in a federally-declared disaster area as determined by FEMA (see <http://www.fema.gov/news/disasters.fema>) and were adversely affected by Hurricanes Katrina and/or Rita. These applicants must provide a certification in their application that they meet the criteria for submitting an application on the *Extended Deadline*, and be prepared to provide appropriate supporting documentation, if requested. If the applicant is submitting the application electronically, submission of the application serves as the applicant's attestation that they meet the criteria for submitting an application on the *Extended Deadline*.

The following chart provides the applicable deadlines for the submission of applications. If this program is subject to Executive Order 12372, the relevant deadline for intergovernmental review is also indicated in the chart.

	Transmittal of applications	Intergovernmental review
<i>General Deadline</i>	11/10/05	N/A
<i>Extended Deadline</i>	12/1/05	N/A

Applications for grants under this program must be submitted electronically using the Electronic Grant Application System (e-Application) available through the Department's e-Grants system. For information (including dates and times) about how to submit an IHE's application electronically or by mail or hand delivery if an IHE qualifies for an exception to the electronic submission requirement, please refer to Section IV. 6. *Other Submission Requirements* in this notice.

We do not consider an application that does not comply with the deadline requirements.

4. *Intergovernmental Review:* This program is not subject to Executive Order 12372 and the regulations in 34 CFR part 79.

5. *Funding Restrictions:* We reference regulations outlining funding restrictions in the *Applicable Regulations* section of this notice.

6. *Other Submission Requirements:* Applications for grants under this program must be submitted electronically, unless an IHE qualifies for an exception to this requirement in accordance with the instructions in this section.

We will reject an application if an IHE submits it in paper format unless, as described elsewhere in this section, the IHE qualifies for one of the exceptions to the electronic submission requirement and submits, no later than two weeks before the application deadline date, a written statement to the Department that the IHE qualifies for one of these exceptions. Further information regarding calculation of the

date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

a. *Electronic Submission of Applications.*

Applications for grants under the Fulbright-Hays Doctoral Dissertation Research Abroad Program—CFDA Number 84.022A must be submitted electronically using e-Application available through the Department's e-Grants system, accessible through the e-Grants portal page at: <http://e-grants.ed.gov>.

While completing the electronic application, both the IHE and the student applicant will be entering data online that will be saved into a database. Neither the IHE nor the student applicant may e-mail an

electronic copy of a grant application to us. Please note the following:

- The process for submitting applications electronically under the Fulbright-Hays Doctoral Dissertation Research Abroad Fellowship Program has several parts. The following is a brief summary of the process; however, all applicants should review and follow the detailed description of the application process that is contained in the application package. In summary, the major parts are as follows: (1) IHEs must e-mail the following information to *ddra@ed.gov*: name of university, full name and e-mail address of potential project director. We recommend that applicant IHEs submit this information as soon as possible to ensure that applicant IHEs obtain access to the e-Application system well before the application deadline date. We suggest that applicant IHEs send this information no later than September 30, 2005, in order to facilitate timely submission of their applications; (2) Students must complete their individual applications and submit them to their IHE's project director using e-Application; (3) Persons providing references for individual students must complete and submit reference forms for the students and submit them to the IHE's project director using e-Application; and (4) The IHE's project director must officially submit the IHE's application, which must include all eligible individual student applications, reference forms, and other required forms, using e-Application. Student transcripts, however, must be mailed or hand delivered to the Department on or before the application deadline date using the applicable mail or hand delivery instructions for paper applications in this notice.

- The IHE must complete the electronic submission of the grant application by 4:30 p.m., Washington, DC time, on the application deadline date. The e-Application system will not accept an application for this program after 4:30 p.m., Washington, DC time, on the application deadline date. Therefore, we strongly recommend that both the IHE and the student applicant not wait until the application deadline date to begin the application process.

- The regular hours of operation of the e-Grants Web site are 6 a.m. Monday until 7 p.m. Wednesday; and 6 a.m. Thursday until midnight Saturday, Washington, DC time. Please note that the system is unavailable on Sundays, and between 7 p.m. on Wednesdays and 6 a.m. on Thursdays, Washington, DC time, for maintenance. Any modifications to these hours are posted on the e-Grants Web site.

- Student applicants will not receive additional point value because he/she submits his/her application in electronic format, nor will we penalize the IHE or student applicant if it qualifies for an exception to the electronic submission requirement, as described elsewhere in this section, and submits an application in paper format.

- IHEs must submit all documents, except for student transcripts, electronically, including the Application for Federal Education Assistance (ED 424), and all necessary assurances and certifications. Both IHEs and student applicants must attach any narrative sections of the application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If an IHE or a student applicant uploads a file type other than the three file types specified above or submit a password protected file, we will not review that material.

- Student transcripts must be mailed or hand delivered to the Department on or before the application deadline date in accordance with the applicable mail or hand delivery instructions for paper applications described in this notice.

- Both the IHE's and the student applicant's electronic application must comply with any page limit requirements described in this notice.

- Prior to submitting your electronic application, you may wish to print a copy of it for your records.

- After the individual student applicant electronically submits his/her application to his/her IHE, the student will receive an automatic acknowledgment. In addition, the applicant IHE's Project Director will receive a copy of this acknowledgment by e-mail. After a person submits a reference electronically, he/she will receive an online confirmation. After the applicant IHE submits its application, including all eligible individual student applications, to the Department, the applicant IHE will receive an automatic acknowledgment, which will include a PR/Award number (an identifying number unique to the IHE's application).

- Within three working days after submitting the IHE's electronic application, the IHE must fax a signed copy of the ED 424 to the Application Control Center after following these steps:

- (1) Print ED 424 from e-Application.

- (2) The applicant IHE's Authorizing Representative must sign this form.

- (3) Place the PR/Award number in the upper right hand corner of the hard-copy signature page of the ED 424.

- (4) Fax the signed ED 424 to the Application Control Center at (202) 245-6272.

- We may request that you provide us original signatures on other forms at a later date.

Application Deadline Date Extension in Case of e-Application System Unavailability:

If an IHE is prevented from electronically submitting the application on the application deadline date because the e-Application system is unavailable, we will grant the IHE an extension of one business day in order to transmit the application electronically, by mail, or by hand delivery. We will grant this extension if—

- (1) The IHE is a registered user of e-Application and the IHE has initiated an electronic application for this competition; and

- (2) (a) The e-Application system is unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Washington, DC time, on the application deadline date; or

- (b) The e-Application system is unavailable for any period of time between 3:30 p.m. and 4:30 p.m., Washington, DC time, on the application deadline date.

We must acknowledge and confirm these periods of unavailability before granting the IHE an extension. To request this extension or to confirm our acknowledgement of any system unavailability, an IHE may contact either (1) the person listed elsewhere in this notice under **FOR FURTHER INFORMATION CONTACT** (see VII. Agency Contact) or (2) the e-Grants help desk at 1-888-336-8930. If the system is down and therefore the application deadline is extended, an e-mail will be sent to all registered users who have initiated an e-Application. Extensions referred to in this section apply only to the unavailability of the Department's e-Application system.

Exception to Electronic Submission Requirement: An IHE may qualify for an exception to the electronic submission requirement, and may submit its application in paper format, if the IHE is unable to submit an application through the e-Application system because—

- The IHE or a student applicant does not have access to the Internet; or

- The IHE or a student applicant does not have the capacity to upload large documents to the Department's e-Application system; and

- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date

falls on a Federal holiday, the next business day following the Federal holiday), the IHE mails or faxes a written statement to the Department, explaining which of the two grounds for an exception prevent the IHE from using the Internet to submit its application. If an IHE mails a written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If an IHE faxes its written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax this statement to: Carla White, U.S. Department of Education, 1990 K Street, NW, Suite 6000, Washington, DC 20006-8521. FAX: (202) 502-7860.

The IHE's paper application must be submitted in accordance with the mail or hand delivery instructions described in this notice.

b. *Submission of Paper Applications by Mail.*

If an IHE qualifies for an exception to the electronic submission requirement, the IHE may mail (through the U.S. Postal Service or a commercial carrier) its application to the Department. The IHE must mail the original and two copies of the application, on or before the application deadline date, to the Department at the applicable following address:

By mail through the U.S. Postal Service: U.S. Department of Education, Application Control Center, Attention: (CFDA Number 84.022A), 400 Maryland Avenue, SW., Washington, DC 20202-4260

or

By mail through a commercial carrier: U.S. Department of Education, Application Control Center—Stop 4260, Attention: (CFDA Number 84.022A), 7100 Old Landover Road, Landover, MD 20785-1506.

Regardless of which address the IHE uses, the IHE must show proof of mailing consisting of one of the following:

- (1) A legibly dated U.S. Postal Service postmark,
- (2) A legible mail receipt with the date of mailing stamped by the U.S. Postal Service,
- (3) A dated shipping label, invoice, or receipt from a commercial carrier, or
- (4) Any other proof of mailing acceptable to the Secretary of the U.S. Department of Education.

If the IHE mails its application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

- (1) A private metered postmark, or

- (2) A mail receipt that is not dated by the U.S. Postal Service.

If the IHE's application is postmarked after the application deadline date, we will not consider its application.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, the IHE should check with its local post office.

c. *Submission of Paper Applications by Hand Delivery.*

If an IHE qualifies for an exception to the electronic submission requirement, the IHE (or a courier service) may deliver its paper application to the Department by hand. The IHE must deliver the original and two copies of the application, by hand, on or before the application deadline date, to the Department at the following address: U.S. Department of Education, Application Control Center, Attention: (CFDA Number 84.022A), 550 12th Street, SW., Room 7041, Potomac Center Plaza, Washington, DC 20202-4260.

The Application Control Center accepts hand deliveries daily between 8 a.m. and 4:30 p.m., Washington, DC time, except Saturdays, Sundays, and Federal holidays.

Note for Mail or Hand Delivery of Paper Applications: If an IHE mails or hand delivers its application to the Department:

- (1) The IHE must indicate on the envelope and—if not provided by the Department—in Item 4 of the ED 424 the CFDA number—and suffix letter, if any—of the competition under which the IHE is submitting its application.

- (2) The Application Control Center will mail a grant application receipt acknowledgment to the IHE. If the IHE does not receive the grant application receipt acknowledgment within 15 business days from the application deadline date, the IHE should call the U.S. Department of Education Application Control Center at (202) 245-6288.

VI. *Award Administration Information*

1. *Award Notices:* If a student application is successful, we notify the IHE's U.S. Representative and U.S. Senators and send the IHE a Grant Award Notification (GAN). We may also notify the IHE informally.

If a student application is not evaluated or not selected for funding, we notify the IHE.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates its approved

application as part of its binding commitments under the grant.

3. *Reporting:* At the end of the project period, the IHE must submit a final performance report, including the final reports of all of the IHE's fellows, and financial information, as directed by the Secretary. The IHE and fellows are required to use the electronic reporting system Evaluation of Exchange, Language, International and Area Studies (EELIAS) to complete the final report.

4. *Performance Measures:* The Government Performance and Results Act (GPRA) of 1993 is a straightforward statute that requires all federal agencies to manage their activities with attention to the consequences of those activities. Each agency clearly states what it intends to accomplish, identifies the resources required, and regularly reports its progress to the Congress. In doing so, GPRA is improving accountability for the expenditures of public funds, improving Congressional decision-making with more thorough and objective information on the effectiveness of federal programs, and promoting a new government focus on results, cost-effectiveness, service delivery, and customer satisfaction.

The objective of the Fulbright-Hays Doctoral Dissertation Research Abroad Fellowship Program is to maintain a U.S. higher education system able to produce experts in less commonly taught languages and area studies who are capable of contributing to the needs of the U.S. government, academic and business institutions.

The following performance measure has been developed to evaluate the overall effectiveness of the DDRA program—The improvement of language proficiency of fellows. All grantees will be expected to provide documentation of the improved language proficiency of the fellows through the EELIAS system.
