Stainless Steel Bar from India: Notice of Court Decision Not in Harmony and Continuation of Suspension of Liquidation

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On October 20, 2005, in *Slater Steels Corp. v. United States*, Consol. Court No. 02-00551, Slip Op. 05-137 (CIT October 20, 2005) (“*Slater III*”), a lawsuit challenging the Department of Commerce’s (“the Department”) *Notice of Amended Final Results of Antidumping Duty Administrative*

Review: Stainless Steel Bar from India, 67 FR 53336 (August 15, 2002) (“*Final Results*”) and the accompanying Issues and Decision Memorandum (July 5, 2002) (“*Decision Memorandum*”), the Court of International Trade (“CIT”) affirmed the Department’s third remand determination and entered a judgment order. In the remand determination, the Department did not collapse Viraj Alloys Limited (“VAL”) with Viraj Impoexpo Limited (“VIL”) and Viraj Forgings Limited (“VFL”). The Department calculated an individual antidumping duty margin for VIL/VFL. The Department did not calculate an individual antidumping duty margin for VAL because it did not export the subject merchandise to the United States during the period of review. The resulting antidumping duty margin for VIL/VFL is 0.84 percent.

Consistent with the decision of the U.S. Court of Appeals for the Federal Circuit (“Federal Circuit”) in *Timken Co. v. United States*, 893 F.2d 337 (Fed. Cir. 1990) (“*Timken*”), the Department will continue to order the suspension of liquidation of the subject merchandise until there is a “conclusive” decision in this case. If the case is not appealed, or if it is affirmed on appeal, the Department will instruct the U.S. Customs and Border Protection (“CBP”) to liquidate all relevant entries of subject merchandise for VIL/VFL.

EFFECTIVE DATE: October 30, 2005.

FOR FURTHER INFORMATION CONTACT: Steve Williams, AD/CVD Enforcement Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-4619.

SUPPLEMENTARY INFORMATION:

Background

In the underlying administrative review covering the period February 1, 2000, though January 31, 2001, the Department collapsed VAL, VIL, and VFL pursuant to 19 USC § 1677(33) and 19 CFR § 351.401(f) (2000). See *Final Results*; see also *Decision Memorandum* at Comment 1. As a collapsed entity, VAL/VIL/VFL received a *de minimis* dumping margin.

Based upon the record evidence, the Department found that VAL, VIL, and VFL “meet the regulations’ collapsing requirements.” *Decision Memorandum* at Comment 1. First, the Department found that “VAL and VIL can produce subject merchandise (*i.e.*, similar or identical products) and can continue to do so, independently or under existing leasing agreements, without substantial
