

nationally recognized experts from a variety of disciplines—all which focus on preconception interventions aimed at promoting women's health and reducing adverse perinatal outcomes. The group will include experts in obstetrics, family practice, pediatrics, public health, nursing, reproductive health, toxic exposures, and chronic and infectious disease.

Matters To Be Discussed: Agenda items include: a review and discussion of relevant issues arising out of the National Summit on Preconception Care; the identification of priority areas for the development of recommendations; discussion of recommended interventions both before the first pregnancy and between pregnancies (*i.e.*, preconception and interconception care), and on population-based and individual-level interventions; and the reconvening of the Panel to finalize recommendations. Additional agenda items include: updates from organizational representatives (*i.e.*, March of Dimes, American College of Obstetrics and Gynecology) on current initiatives; and an update on activities from CDC preconception care workgroup representatives, future topics and scheduling the next meeting.

Agenda items are subject to change as priorities dictate.

Centers for Disease Control and Prevention

Designation of a Class of Employees for Addition to the Special Exposure Cohort

AGENCY: Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: The Department of Health and Human Services ("HHS") gives notice of a decision to designate a class of employees at the Mallinckrodt Chemical Company, Destrehan Street Plant, in Saint Louis, Missouri as an addition to the Special Exposure Cohort (SEC) under the Energy Employees Occupational Illness Compensation Program Act of 2000. On April 11, 2005, the Secretary of HHS designated the following class of employees as an addition to the SEC:

Employees of the Department of Energy (DOE) or DOE contractors or subcontractors employed by the Uranium Division of Mallinckrodt Chemical Works, Destrehan Street Facility, during the period from 1942 through 1948 and whom were employed for a number of work days aggregating at least 250 work days either solely under this employment or in combination with work days within the parameters (excluding aggregate work day requirements) established for other classes of employees included in the SEC.

This designation will become effective on May 12, 2005, unless Congress provides otherwise prior to the effective date. After this effective date, HHS will publish a notice in the **Federal Register** reporting the addition of this class to the SEC or the result of any provision by Congress regarding the decision by HHS to add the class to the SEC.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Office of Community Services; Community Services Block Grant Program; Community Economic Development; Discretionary Grant Program—Operational Projects

Announcement Type: Initial.

Funding Opportunity Number: HHS-2005-ACF-OCS-EE-0019.

CFDA Number: 93.570.

Due Date for Applications:

Application is due June 17, 2005.

Executive Summary: The Community Services Block Grant (CSBG) Act of 1981, as amended, (Section 680 (a)(2) of the Community Opportunities, Accountability, and Training and Educational Services Act of 1998), authorizes the Secretary of the U.S. Department of Health and Human Services to make grants to provide technical and financial assistance for economic development activities designed to address the economic needs of low-income individuals and families by creating employment and business development opportunities. Pursuant to this Announcement, OCS will award operational project grants to Community Development Corporations (CDCs) that are experienced in implementing economic development projects. The primary purpose of the Operational Projects (OPs) is to assist eligible CDCs, including American Indian and Native Alaskan, and faith based organizations that are CDCs that have in place: (1) Written commitments for all projected non-Community Economic

Development (CED) funding, (2) project operations, (3) site control for their economic development projects and (4) referral sources (from which low-income individuals will be referred to the project). Low-income beneficiaries of such projects include those who are living in poverty as determined by the HHS Guidelines on Poverty (at <http://aspe.hhs.gov/poverty/poverty.shtml>). They may be unemployed; public assistance recipients, including recipients of Temporary Assistance for Needy Families (TANF), individuals transitioning from the prison system into the community, at-risk youth, custodial and non-custodial parents; residents living in public housing; persons with disabilities; and persons who are homeless. Operational Projects are designed to encourage rural and urban community development corporations to create projects intended to provide employment and business development opportunities for low-income people through business or commercial development. The opportunities must aim to improve the quality of the economic and social environment of TANF recipients; low-income residents including displaced workers; individuals transitioning from the prison system into the community; at-risk youth; non-custodial parents, particularly those of children receiving TANF assistance; individuals residing in public housing; individuals who are homeless; and individuals with disabilities. Grant funds under this announcement are intended to provide resources to eligible applicants (CDCs) but also have the broader objectives of arresting tendencies toward dependency, chronic unemployment, and community deterioration in urban and rural areas. Eligible applicants must submit a business plan that shows the economic feasibility of the venture. Applicants for an OP must have in place written commitments for all projected non-CED funding required for the project. Written proof of commitments from third parties must be submitted with the application. Letters of support, only, are insufficient. The application must also clearly document in detail the extent to which site control has been acquired.

I. Funding Opportunity Description

The Community Services Block Grant (CSBG) Act of 1981, as amended, (Section 680 (a)(2) of the Community Opportunities, Accountability, and Training and Educational Services Act of 1998), authorizes the Secretary of the U.S. Department of Health and Human Services to make grants to provide technical and financial assistance for

economic development activities designed to address the economic needs of low-income individuals and families by creating employment and business development opportunities. Pursuant to this Announcement, OCS will award Operational Project grants to Community Development Corporations (CDCs) that are experienced in implementing economic development projects. CDCs participating in the Weed and Seed Program under the Department of Justice are encouraged to apply for funding for their revitalization effort.

The primary purpose of the Operational Projects (OPs) is to assist eligible CDCs that have in place (1) written commitments for all projected non-CED funding, (2) project operations, (3) site control for their economic development project and (4) referral sources (which low-income individuals will be referred to the project). Eligible applicants must submit a business plan that shows the economic feasibility of the venture. Applicants for an OP must have in place written commitments for all projected non-CED funding required for the project. Written proof of commitments from third parties must be submitted with the application. Letters of support, only, are insufficient. The application must also detail the extent to which site control has been acquired. Low-income beneficiaries of such projects include those who are living in poverty as determined by the HHS Guidelines on Poverty at <http://aspe.hhs.gov/poverty/poverty.shtml>.

They may be unemployed, public assistance recipients, including recipients of Temporary Assistance for Needy Families (TANF), at-risk youth, custodial and non-custodial parents, public housing residents, persons with disabilities and persons who are homeless.

Operational Projects are designed to encourage rural and urban community development corporations to create projects intended to provide employment and business development opportunities for low-income people through business or commercial development. Generally, the opportunities must aim to improve the quality of the economic and social environment of TANF recipients; low-income residents including displaced workers; persons transitioning from prison back into the community; ex-offenders; at-risk youth; non-custodial parents, particularly those of children receiving TANF assistance; individuals residing in public housing; individuals who are homeless; and individuals with disabilities. Grant funds under this announcement are intended to provide
