

If the final results of this review remain the same as these preliminary results, the Department intends to instruct U.S. Customs and Border Protection (CBP), within 15 days of publication of the final results of this review, to liquidate without regard to countervailing duties all shipments of subject merchandise exported by Nima and produced by Razi, entered, or withdrawn from warehouse, for consumption during the POR. Should the final results of this review remain the same as these preliminary results, the Department will also instruct CBP not to collect cash deposits of estimated countervailing duties on all shipments of the subject merchandise exported by Nima and produced by Razi, entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review.

Because the Uruguay Round Agreements Act (URAA) replaced the general rule in favor of a country-wide rate with a general rule in favor of individual rates for investigated and reviewed companies, the procedures for establishing countervailing duty rates, including those for non-reviewed companies, are now essentially the same as those in antidumping cases, except as provided for in section 777A(e)(2)(B) of the Act. The requested review will normally cover only those companies specifically named. See 19 CFR 351.213(b). Pursuant to 19 CFR 351.212(c), for all companies for which a review was not requested, duties must be assessed and cash deposits must continue to be collected at the cash deposit rate previously ordered. As such, the countervailing duty cash deposit rate applicable to a company can no longer change, except pursuant to a request for a review of that company. See *Federal-Mogul Corporation and The Torrington Company v. United States*, 822 F. Supp. 782 (CIT 1993), and *Floral Trade Council v. United States*, 822 F. Supp. 766 (CIT 1993) (interpreting 19 CFR 353.22(e), the old antidumping regulation on automatic assessment, which is identical to the current regulation, 19 CFR 351.212(c)(1)(ii)). Therefore, the cash deposit rates for all companies except those covered by this review will be unchanged by the results of this review.

We will instruct CBP to continue to collect cash deposits for non-reviewed companies at the most recent company-specific or country-wide rate applicable to the company. Accordingly, the cash deposit rates that will be applied to non-reviewed companies covered by this order will be the rate for that

company established in the most recently completed administrative proceeding. See *Certain In-Shell Pistachios from the Islamic Republic of Iran: Final Results of Countervailing Duty Administrative Review*, 68 FR 41310 (July 11, 2003). These cash deposit rates shall apply to all non-reviewed companies until a review of a company assigned these rates is requested.

Public Comment

Pursuant to 19 CFR 351.224(b), the Department will disclose to parties to the proceeding any calculations performed in connection with these preliminary results within five days after the date of the public announcement of this notice. Pursuant to 19 CFR 351.309, interested parties may submit written comments in response to these preliminary results. Parties submitting case and/or rebuttal briefs are requested to provide the Department copies of the public version on disk. Case and rebuttal briefs must be served on interested parties in accordance with 19 CFR 351.303(f). Also, pursuant to 19 CFR 351.310, within 30 days of the date of publication of this notice, interested parties may request a public hearing on arguments to be raised in the case and rebuttal briefs. Unless the Secretary specifies otherwise, the hearing, if requested, will be held two days after the date for submission of rebuttal briefs.

Representatives of parties to the proceeding may request disclosure of proprietary information under administrative protective order no later than 10 days after the representative's client or employer becomes a party to the proceeding, but in no event later than the date the case briefs, under 19 CFR 351.309(c)(ii), are due. The Department will publish the final results of this administrative review, including the results of its analysis of issues raised in any case or rebuttal brief or at a hearing.

This administrative review and notice are issued and published in accordance with sections 751(a)(1), 751(a)(3) and

777(i)(1) of the Act and 19 CFR 351.221(b)(4).

COMMITTEE FOR THE IMPLEMENTATION OF TEXTILE AGREEMENTS

Extension of Period of Determination on Request for Textile and Apparel Safeguard Action on Imports from China

November 2, 2005.

AGENCY: The Committee for the Implementation of Textile Agreements (the Committee).

ACTION: Notice.

SUMMARY: The Committee is extending through November 8, 2005, the period for making a determination on whether to request consultations with China regarding imports of women's and girls' cotton and man-made fiber shirts and blouses, not-knit (Category 341/641).

FOR FURTHER INFORMATION CONTACT: Jay Dowling, Office of Textiles and Apparel, U.S. Department of Commerce, (202) 482-4058.

SUPPLEMENTARY INFORMATION:

Authority: Section 204 of the Agriculture Act of 1956, as amended; Executive Order 11651, as amended.

Background:

On July 11, 2005, the Committee received a request from the American Manufacturing Trade Action Coalition, the National Council of Textile Organizations, the National Textile Association, and UNITE HERE requesting that the Committee limit imports from China of women's and girls' cotton and man-made fiber shirts and blouses, not-knit (Category 341/641) due to market disruption.

The Committee determined that this request provided the information necessary for the Committee to consider the request and solicited public comments for a period of 30 days. **See Solicitation of Public Comments on Request for Textile and Apparel Safeguard Action on Imports from China**, 70 FR 44566 (August 3, 2005).

The Committee's Procedures, 68 FR 27787 (May 21, 2003) state that the Committee will make a determination within 60 calendar days of the close of the public comment period as to whether the United States will request consultations with China. If the Committee is unable to make a determination within 60 calendar days, it will cause to be published a notice in the **Federal Register**, including the date by which it will make a determination.

The 60-day determination period for this case expired on November 1, 2005. However, the Committee decided to extend until November 8, 2005, the period for making a determination on this case because of consultations with the Government of China on a broader agreement on textiles.

James C. Leonard III,

Chairman, Committee for the Implementation of Textile Agreements.
