#### 2004 Company Organization Survey

**AGENCY:** Bureau of the Census, Commerce.

**ACTION:** Notice of determination.

**SUMMARY:** The U.S. Census Bureau (Census Bureau) is conducting the 2004 Company Organization Survey. The survey's data are needed, in part, to update the multilocation companies in the Business Register. The survey, which has been conducted annually since 1974, is designed to collect information on the number of employees, payroll, geographic location, current operational status, and kind of business for the establishments of multilocation companies. We have determined that annual data collected from this survey are needed to aid the efficient performance of essential governmental functions and have significant application to the needs of the public and industry. The data derived from this survey are not available from any other source.

**ADDRESSES:** The Census Bureau will furnish report forms to organizations included in the survey, and additional copies are available on written request to the Director, U.S. Census Bureau, Washington, DC 20233-0101.

**FOR FURTHER INFORMATION CONTACT:** Paul Hanczaryk, Economic Planning and Coordination Division, U.S. Census Bureau, Room 2747, Federal Building 3, Washington, DC 20233-6100; telephone (301) 763-4058.

**SUPPLEMENTARY INFORMATION:** Title 13, United States Code, sections 182, 195, 224, and 225 authorize the Census Bureau to undertake surveys necessary to furnish current data on the subjects

covered by the censuses. This survey will provide continuing and timely national statistical data for the period between economic censuses. The next economic censuses will be conducted for the year 2007. The data collected in this survey will be within the general scope, type, and character of those that are covered in the economic censuses. Forms NC-99001 and NC-99007 (for single-location companies) will be used to collect the desired data.

Notwithstanding any other provision of law, no person is required to respond to, nor shall a person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a current, valid Office of Management and Budget (OMB) control number. In accordance with the Paperwork Reduction Act, 44 U.S.C., chapter 35, the OMB approved Forms NC-99001 and NC-99007 on December 21, 2004, under OMB Control Number 0607-0444. We will furnish report forms to organizations included in the survey, and additional copies are available on written request to the Director, U.S. Census Bureau, Washington, DC 20233-0101.

##### **I. Abstract**

The U.S. Department of Commerce invites the general public and other Federal agencies to comment on the proposed extension of the use of the advocacy questionnaire by the Trade Promotion Coordination Committee's (TPCC) Advocacy Network. The questionnaire is used to evaluate requests for United States Government (USG) advocacy in connection with overseas commercial bids, offers, and proposals. The International Trade Administration's Advocacy Center marshals federal resources to assist U.S. commercial interests competing for foreign government commercial projects, procurements, investments, business ventures worldwide. The mission of the Advocacy Center is to coordinate USG commercial advocacy in order to promote U.S. exports, trade which both creates and sustains U.S. employment. The Advocacy Center works with and coordinates activities within TPCC which is chaired by the Secretary of Commerce and includes 19 federal agencies involved in export promotion. The purpose of the advocacy questionnaire is to collect the information necessary to evaluate a commercial interest's (e.g., a company's) eligibility for USG advocacy assistance. There are clear, well-established USG advocacy guidelines that describe the various situations in which the USG can provide advocacy support for a specific commercial interest. The questionnaire was developed to collect only the information necessary to determine if a commercial interest meets the eligibility requirements set forth in the advocacy guidelines.
