

numbers for EPA's regulations in title 40 of the CFR, after appearing in the **Federal Register**, are listed in 40 CFR part 9 and included on the related collection instrument or form, if applicable.

Burden Statement: The annual public reporting and recordkeeping burden for this collection of information is estimated to range between 265 hours and 609 hours per response, depending upon the type(s) of chemical(s) that a respondent must report. Burden means the total time, effort or financial resources expended by persons to generate, maintain, retain or disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; develop, acquire, install and utilize technology and systems for the purposes of collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information.

Respondents/Affected Entities: Entities potentially affected by this action are companies that manufacture, process or import chemical substances, mixtures or categories.

Frequency of Collection: Every four years.

Estimated total/average number of responses for each respondent: 1.

Estimated No. of Respondents: 3,026.

Estimated Total Annual Burden on Respondents: 413,575 hours.

Estimated Total Annual Costs: \$28,362,706.

Changes in Burden Estimates: This request reflects a decrease of 2 hours (from 413,577 hours to 413,575 hours) in the total estimated respondent burden from that currently in the OMB inventory, reflecting a rounding error. This change is an adjustment.

Dated: December 14, 2005.

Oscar Morales,

Director, Collection Strategies Division.

BILLING CODE 6560-50-P

ENVIRONMENTAL PROTECTION AGENCY

[MN87; FRL-8013-2]

Notice of Issuance of Prevention of Significant Deterioration Permit to Grand Casino Mille Lacs

AGENCY: Environmental Protection Agency.

ACTION: Notice.

SUMMARY: This notice announces that, on October 13, 2005, the Environmental Protection Agency (EPA), Region 5, issued a Prevention of Significant Deterioration (PSD) permit to Great Lakes Band Corporate Commission (Grand Casino Mille Lacs). This permit authorizes the company to change the method of operation of the three existing diesel-fired engine-generator sets (generators) to provide peak load management and back-up power to the Grand Casino Resort and Hotel (the Facility). The Facility is located on land that is held in trust for the Mille Lacs Band of Ojibwe Indians in Mille Lacs County, Minnesota.

DATES: During the public comment period, ending July 22, 2005, EPA received no comments on the draft PSD permit. Therefore, in accordance with 40 CFR 124.15, this permit became effective immediately upon permit issuance, October 13, 2005, and EPA has issued it as final.

ADDRESSES: The final signed permit is available for public inspection online at <http://www.epa.gov/region5/air/permits/epermits.htm> or during normal business hours at the following address: EPA, Region 5, 77 West Jackson Boulevard (AR-18)), Chicago, Illinois 60604.

FOR FURTHER INFORMATION CONTACT: Richard Angelbeck, EPA, Region 5, 77 W. Jackson Boulevard (AR-18)), Chicago, Illinois 60604, (312) 886-9698, or angelbeck.richard@epa.gov.

SUPPLEMENTARY INFORMATION: This supplemental information is organized as follows:

- A. What Is the Background Information?
- B. What Action Is EPA Taking?

A. What Is the Background Information?

The subject generator sets are owned by Grand Casino Mille Lacs. These generators had been used solely as back-up generators. This permit will now allow the generators to be put onto the peaking program of the local utility, as well as to continue to provide emergency power for Grand Casino Mille Lacs. The total generation capacity of the generators is 5.4 megawatts (MW).

Electricity generated at the Facility is not sold for distribution.

Since the potential emissions of nitrogen oxides (NO_x) from the three generators were projected to be greater than 250 tons per year, in accordance with 40 CFR 52.21(b)(1), the Facility is considered a major stationary source and subject to the PSD permitting requirements. As required by 40 CFR part 52, Grand Casino Mille Lacs applied to EPA for a PSD permit and conducted a Best Available Control Technology (BACT) analysis, an air quality analysis, and an additional impact analyses. The federal PSD permit (No. PSD-ML-R50007-05-01) that EPA issued to Grand Casino Mille Lacs contains all applicable part 52 requirements. Among the permit's terms is a 300-hour-per-year operating limit on all generators combined, restricting the Facility's potential to emit NO_x.

In accordance with the requirements of 40 CFR 124.15, EPA provided the public with 30 days to comment on the draft permit. EPA received no comments. Consequently, EPA finalized the permit and provided copies to the applicant, pursuant to 40 CFR 124.15.

B. What Action Is EPA Taking?

EPA is notifying the public of the issuance of the PSD permit to Grand Casino Mille Lacs.

Dated December 9, 2005.

Bharat Mathur,

Acting Regional Administrator, Region 5.

FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collection(s) Being Submitted to OMB for Review and Approval

December 15, 2005.

SUMMARY: The Federal Communications Commissions, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following information collection, as required by the Paperwork Reduction Act of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number. Comments are requested concerning (a)

whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Written comments should be submitted on or before January 23, 2006. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: You may submit your comments by email or U.S. mail. To submit your comments by email send them to PRA@fcc.gov. To submit your comments by U.S. mail send them to Cathy Williams, Federal Communications Commission, Room 1-C823, 445 12th Street, SW., Washington, DC 20554 and Kristy L. LaLonde, Office of Management and Budget (OMB), Room 10236 NEOB, Washington, DC 20503, (202) 395-3087 or via the Internet at Kristy.L.LaLonde@omb.eop.gov.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection(s) send an email to PRA@fcc.gov or contact Cathy Williams at (202) 418-2918. If you would like to obtain a copy of this revised information collection, you may do so by visiting the FCC PRA Web page at: <http://www.fcc.gov/omd/pr>.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060-0214.
Title: Sections 73.3526 and 73.3527, Local Public Inspection Files; Sections 76.1701 and 73.1943, Political Files.
Form Number: Not applicable.
Type of Review: Revision of a currently approved collection.

Respondents: Business or other for-profit entities; Not for-profit institutions.

Number of Respondents: 52,217.
Estimated Time per Response: 2.5 hours—104 hours per year.

Frequency of Response: Recordkeeping requirement; Third party disclosure requirement.

Total Annual Burden: 1,818,003 hours.

Total Annual Cost: None.
Privacy Impact Assessment: No impact(s).

Needs and Uses: 47 CFR 73.3526 and 47 CFR Section 73.3527 require that licensees and permittees of commercial and noncommercial AM, FM and TV stations maintain a file for public inspection at its main studio or at another accessible location in its community of license. The contents of the file vary according to type of service and status. The contents include, but are not limited to, copies of certain applications tendered for filing, a statement concerning petitions to deny filed against such applications, copies of ownership reports, statements certifying compliance with filing announcements in connection with renewal applications, and a list of community issues addressed by the station's programming. These rules also specify the length of time, which varies by document type, that each record must be retained in the public file. The public and FCC use the data to evaluate information about the licensee's performance and to ensure that station is addressing issues concerning the community to which it is licensed to serve.

47 CFR 73.1943 and 47 CFR 76.1701 require licensees of broadcast stations and cable television systems, respectively, to keep and permit public inspection of a complete record (political file) of all requests for broadcast time made by or on behalf of candidates for public office, together with an appropriate notation showing the disposition made by the licensee of such requests. The data is used by the public to assess money expended and

time allotted to a political candidate and to ensure that equal access was afforded to other legally qualified candidates. 47 CFR 76.1701 also requires that, when an entity sponsors origination cable casting material that concerns a political matter or a discussion of a controversial issue of public importance, a list must be maintained in the public file of the system that includes the sponsoring entity's chief executive officers, or members of its executive committee or of its board of directors.

Federal Communications Commission.

Marlene H. Dortch,
Secretary.

BILLING CODE 6712-01-P

FEDERAL TRADE COMMISSION

Granting of Request for Early Termination of the Waiting Period Under the Premerger Notification Rules

Section 7A of the Clayton Act, 15 U.S.C. 18a, as added by Title II of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, requires persons contemplating certain mergers or acquisitions to give the Federal Trade Commission and the Assistant Attorney General advance notice and to wait designated periods before consummation of such plans. Section 7A(b)(2) of the Act permits the agencies, in individual cases, to terminate this waiting period prior to its expiration and requires that notice of this action be published in the **Federal Register**.

The following transactions were granted early termination of the waiting period provided by law and the premerger notification rules. The grants were made by the Federal Trade Commission and the Assistant Attorney General for the Antitrust Division of the Department of Justice. Neither agency intends to take any action with respect to these proposed acquisitions during the applicable waiting period.
