Milwaukee Electric Tool Corporation Brookfield Plant Brookfield, WI; Notice of Affirmative Determination Regarding Application for Reconsideration

By application dated August 24, 2005, a State of Wisconsin agency representative requested administrative reconsideration of the Department of Labor's Notice of Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance, applicable to workers of the subject firm. The determination was signed on July 18, 2005, and published in the **Federal Register** on August 26, 2005 (70 FR 50411).

The determination stated that electric power tool accessory production at the subject facility ceased in December 2004, that production shifted to other domestic locations, that the subject

company imported during 2003 and 2004, and that subject company customers did not import during the relevant period.

The State agent requested reconsideration to clarify the basis for the negative determination.

Upon careful review of the request for reconsideration, the Department has determined that there is basis to conduct further investigation to determine whether the subject workers are eligible to apply for worker adjustment assistance.

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, DC, this 12th day of September 2005.

Elliott S. Kushner,

Certifying Officer, Division of Trade Adjustment Assistance.

Pentair, Inc., Wicor, Inc., Water, Spa and Bath Division, Including On-Site Leased Workers of VOLT, Personnel Plus and Apple One South El Monte, CA; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance and Negative Determination Regarding Eligibility To Apply for Alternative Trade Adjustment Assistance

In accordance with section 223 of the Trade Act of 1974 (19 U.S.C. 2273), and section 246 of the Trade Act of 1974, (26 U.S.C. 2813), as amended, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance and a Negative Determination Regarding Eligibility to Apply for Alternative Trade Adjustment Assistance on April 27, 2005, applicable to workers of

Pentair, Inc., Water, Spa and Bath Division, including on-site leased workers of VOLT, Personnel Plus and Apple One, South El Monte, California. The notice was published in the **Federal Register** on May 6, 2005 (70 FR 25861).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm.

New information shows that Pentair purchased Wicor, Inc. in August 2004 that all workers separated from employment at the subject firm had their wages reported under a separate unemployment insurance (UI) tax account for Wicor, Inc.

Accordingly, the Department is amending the certification to properly reflect this matter.

The intent of the Department's certification is to include all workers of Pentair, Inc., Water, Spa and Bath Division, including on-site leased workers of VOLT, Personnel Plus and Apple One, South El Monte, California who were adversely affected by a shift in production to China and Mexico.

The amended notice applicable to TA-W-56,788 is hereby issued as follows:

All workers of Pentair, Inc., Wicor, Inc., including on-site leased workers of VOLT, Personnel Plus, and Apple One, South El Monte, California, who became totally or partially separated from employment on or after March 21, 2004, through April 27, 2007, are eligible to apply for adjustment assistance under section 223 of the Trade Act of 1974.

I further determine that all workers of Pentair, Inc., Water Spa and Bath Division, including on-site leased workers of VOLT, Personnel Plus and Apple One, South Monte, California, are denied eligibility to apply for alternative trade adjustment assistance under section 246 of the Trade Act of 1974.
