Documents Reviewed by NACMCF

FSIS intends to make available to the public all materials that are reviewed and considered by NACMCF regarding its deliberations. Generally, these materials will be made available as soon as possible after the full Committee meeting. Further, FSIS intends to make these materials available in both electronic formats on the FSIS web page, as well as in hard copy format in the FSIS Docket Room. Often, an attempt is made to make the materials available at the start of the full Committee meeting when sufficient time is allowed in advance to do so.

Disclaimer: For electronic copies, all NACMCF documents and comments are electronic conversions from a variety of source formats into HTML that may have resulted in character translation or format errors. Readers are cautioned not to rely on this HTML document. Minor changes to materials in electronic format may be necessary in order to meet the electronic and information technology accessibility standards contained in Section 508 of the Rehabilitation Act in which graphs, charts, and tables must be accompanied by a text descriptor in order for the vision-impaired to be made aware of the content. FSIS will add these text descriptors along with a qualifier that the text is a simplified interpretation of the graph, chart, or table. Portable Document Format (PDF) and/or paper documents of the official text, figures, and tables can be obtained from the FSIS Docket Room.

Copyrighted documents will not be posted on the FSIS Web site, but will be available for inspection in the FSIS Docket Room.

Additional Public Notification

Public awareness of all segments of rulemaking and policy development is important. Consequently, in an effort to ensure that the public, and in particular minorities, women, and persons with disabilities are aware of this notice, FSIS will announce it on-line through the FSIS Web page located at http://www.fsis.usda.gov/regulations/2005_Notices_Index/.

FSIS also will make copies of this **Federal Register** publication available through the FSIS Constituent Update, which is used to provide information regarding FSIS policies, procedures, regulations, **Federal Register** notices, FSIS public meetings, recalls, and other types of information that could affect or

would be of interest to our constituents and stakeholders. The update is communicated via Listserv, a free electronic mail subscription service for industry, trade, and farm groups, consumer interest groups, allied health professionals, scientific professionals, and other individuals who have requested to be included. The update also is available on the FSIS web page. Through Listserv and the web page, FSIS is able to provide information to a much broader, more diverse audience.

In addition, FSIS offers an electronic mail subscription service which provides an automatic and customized notification when popular pages are updated, including **Federal Register** publications and related documents. This service is available at http://www.fsis.usda.gov/news_and_events/email_subscription/ and allows FSIS customers to sign up for subscription options across eight categories. Options range from recalls to export information to regulations, directives, and notices.

Customers can add or delete subscriptions themselves and have the option to protect their accounts with passwords.

DEPARTMENT OF COMMERCE

Submission for OMB Review: Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for

clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act of 1995, Public Law 104-13.

Bureau: International Trade Administration.

Title: User Satisfaction Surveys.

Agency Form Number: ITA-4107P, et al.

OMB Number: 0625-0217.

Type of Request: Revisions, Regular Submission.

Burden: 3,096.

Number of Respondents: 18,324.

Avg. Hours Per Response: 5-30 minutes.

Needs and Uses: ITA provides a multitude of export promotion programs to help U.S. businesses. These programs include information products, services, and trade events. To accomplish its mission effectively, ITA needs ongoing feedback on its programs. This information collection item allows ITA to solicit clients' opinions about the use of ITA products, services, and trade events. The information is used for program improvement, strategic planning, allocation of resources, and performance measures. The surveys are part of ITA's effort to implement objectives of the National Performance Review (NPR) and Government Performance and Results Act (GPRA). Responses to the surveys will meet the needs of ITA performance measures based on NPR and GPRA guidelines. These performance measures will serve as a basis for justifying and allocating human resources.

Survey responses will acquaint ITA managers with firms' perceptions and assessments of export-assistance products and services. Also, the survey will enable ITA to track the performance overseas posts. This information is critical for improving the programs. Survey responses are used to assess client satisfaction, assess priorities, and identify areas where service levels and benefits differ from client expectations. Clients benefit because the information is used to improve services provided to the public. Without this information, ITA is unable to systematically determine client perceptions about the quality and benefit of its export-promotion programs.

Affected Public: Businesses or other for profit, not-for-profit institutions.

Frequency: On occasion.

Respondents Obligation: Required to obtain or retain a benefit, voluntary.

OMB Desk Officer: David Rostker, (202) 395-7340.

Copies of the above information collection can be obtained by calling or writing Diana Hynek, Department Paperwork Clearance Officer, (202) 482-
