SUMMARY: The Secretary extends the deadline dates for the submission of applications for several programs. In all of the affected competitions the Secretary is making new awards for

fiscal year (FY) 2006. The Secretary takes this action to allow more time for the preparation and submission of applications by potential applicants who have been affected by Hurricanes Katrina and/or Rita and are located in Louisiana, Texas, Alabama, Mississippi, and Florida. The reopening and extension of the programs or competitions are intended to help potential applicants compete fairly with other applicants under these programs.

Note: Two of the affected programs or competitions are administered by the Office of Postsecondary Education and three are administered by the Office of Special Education and Rehabilitative Services. You can find information related to each of these competitions under the "List of Programs Affected" in this notice.

You must provide a certification in your application that you meet one of these criteria for submitting an application on the *Extended Deadline* and be prepared to provide appropriate supporting documentation, if requested. If you are submitting the application electronically, the submission of the application serves as your attestation that you meet the criteria for submitting an application on the *Extended Deadline*.
