Project Period

The project period of the award will begin on September 1, 2005 and will last through August 31, 2006.

Justification for the Exception to Competition

On March 31, 2005, ORHP announced a Border Health Best Practices Cooperative Agreement (Announcement #HRSA 05-130). ORHP received only one application that was from an entity, as ORHP understood, would have had significant administrative issues to overcome in order to fulfill the requirements of the announcement. Given the response from the initial competition, there are not many applicants along the border who are capable of performing the breadth of these activities. ORHP has identified USMBHA as the only entity with the capacity to fill the void and to work in partnership with HRSA to organize events in the short time frame before the Border Binational Health Week (BBHW) celebration with Mexico is scheduled to take place. USMBHA is eminently qualified to receive a single source award. USMBHA was formally created in 1943 and is composed of health professionals from both Mexico and the United States. Annual meetings have occurred without interruption since this time with involvement from senior Federal, State, and local officials from both countries. Furthermore, USMBHA has worked with the U.S.-Mexico Border Health Commission, HRSA and other Federal Agencies in the past and were involved in last year's BBHW celebration.

Dated: September 16, 2005.

Elizabeth M. Duke,

Administrator.

AGENCY: Federal Emergency Management Agency (FEMA), Emergency Preparedness and Response Directorate, Department of Homeland Security.

ACTION: Notice.

SUMMARY: Each year FEMA is required by the Write-Your-Own ("WYO") program Financial Assistance/Subsidy Arrangement ("Arrangement") to notify the private insurance companies ("Companies") and make available to the Companies the terms for subscription or re-subscription to the Arrangement. In keeping with that requirement, this notice provides the terms to the Companies to subscribe or re-subscribe to the Arrangement.

SUPPLEMENTARY INFORMATION: Under the Arrangement, approximately 95 private sector property insurers issue flood insurance policies and adjust flood insurance claims under their own names based on the Arrangement with the Federal Insurance Administration (FIA) (44 CFR part 62, appendix A).
