Student Assistance General Provisions, Federal Supplemental Educational Opportunity Grant, Federal Family Education Loan, Federal Work-Study, Federal Perkins Loan, Federal Pell Grant, Leveraging Educational Assistance Partnership, and William D. Ford Federal Direct Loan Programs

ACTION: Notice of deadline dates for receipt of applications, reports, and other records for the 2004-2005 award year.

SUMMARY: The Secretary announces deadline dates for the receipt of documents and other information from institutions and applicants for the Federal student aid programs authorized under Title IV of the Higher Education Act of 1965, as amended, for the 2004-2005 award year. The Federal student aid programs include the Federal Perkins Loan, Federal Work-Study, Federal Supplemental Educational Opportunity Grant, Federal Family Education Loan, William D. Ford Federal Direct Loan, Federal Pell Grant,

and Leveraging Educational Assistance Partnership programs.

These programs, administered by the U.S. Department of Education (Department), provide financial assistance to students attending eligible postsecondary educational institutions to help them pay their educational costs.

DATES: Deadline and Submission Dates: See Tables A and B at the end of this notice.

Table A—Deadline Dates for Application Processing and Receipt of Student Aid Reports (SARs) or Institutional Student Information Records (ISIRs) by Institutions

Table A provides deadline dates for application processing, including corrections and submission of signatures, submission of verification documents and, for purposes of the Federal Pell Grant Program, receipt by institutions of SARs or ISIRs. We simplified the deadline dates in Table A by using only three dates for the 2004-2005 award year. The single date for the submission of a Free Application for Federal Student Aid (FAFSA) is June 30, 2005, regardless of the method that the applicant uses to submit the FAFSA. September 15, 2005 is the deadline date for the submission and receipt of corrections, changes of addresses or schools, or requests for a duplicate SAR. September 23, 2005 is the deadline date for the submission and receipt of all other documents and materials that are specified in Table A.

Table B—Federal Pell Grant Program Submission Dates for Disbursement Information by Institutions

Table B provides the earliest submission and deadline dates for institutions to submit Federal Pell Grant disbursement records to the Department's Common Origination and Disbursement (COD) System.

In general, an institution must submit Federal Pell Grant disbursement records no later than 30 days after making a Federal Pell Grant disbursement or becoming aware of the need to adjust a student's previously reported Federal Pell Grant disbursement. In accordance with the regulations at 34 CFR 668.164, we consider that Federal Pell Grant funds are disbursed on the earlier of the date that the institution: (a) Credits those funds to a student's account in the institution's general ledger or any subledger of the general ledger, or (b) pays those funds to a student directly. We consider that Federal Pell Grant funds are disbursed even if an institution uses its own funds in
