New England Power Pool and ISO New England Inc.; Notice of Technical Conference

January 28, 2005.

On January 13, 2005 ISO New England, Inc. requested that the Federal Energy Regulatory Commission convene a technical conference on Friday, March 4, 2005, in Boston, Massachusetts, to address the prioritization and coordination of the interrelated market improvements currently being developed and considered by the ISO and market participants in New England. Specifically, the ISO requests that the Commission facilitate discussions regarding the day-ahead load response program (DALRP) and the special case nodal pricing (SCNP), including a discussion of how those programs fit within the overall market development plan for New England.

To this end, the Commission will host a technical conference on Friday, March 4, 2005, to address the issues raised by the above described request. The conference will be held at the Seaport World Trade Center (Harborview Ballroom), 200 Seaport Boulevard, Boston, Massachusetts 02210. The conference is scheduled to begin at 9 a.m. and end at approximately 4 p.m. (e.s.t.). Commissioners are expected to attend and participate. An agenda will be forthcoming.

Although registration is not a strict requirement, in-person attendees are asked to register for the conference online by close of business on Wednesday, March 2, 2005 at http://www.ferc.gov/whats-new/registration/iso-03-04-form.asp.

Transcripts of the conference will be immediately available from Ace Reporting Company (202–347–3700 or 1–800–336–6646) for a fee. They will be available for the public on the Commission's eLibrary system seven calendar days after FERC receives the transcript. Additionally, Capitol Connection offers the opportunity for

remote listening of the conference via Real Audio or a Phone Bridge Connection for a fee. Persons interested in making arrangements should contact David Reininger or Julia Morelli at the Capitol Connection (703–993–3100) as soon as possible or visit the Capitol Connection Web site at http://www.capitolconnection.org and click on "FERC."

Principles for Efficient and Reliable Reactive Power Supply and Consumption; Notice of Technical Conference

January 31, 2005.

Take notice that a technical conference will be held on March 8, 2005, from approximately 9 a.m. until 5 p.m. (EST) in the Commission Meeting Room on the second floor of the offices of the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC. All interested persons may attend, and registration is not required. Commissioners are expected to participate.

The technical conference will address specific issues raised in the staff report regarding reactive power supply for the nation's bulk power that will be issued on February 4, 2005. The goal of the technical conference is to discuss the proper regulatory policy toward reactive power supply and consumption.

The Commission is now soliciting nominations for speakers at the technical conference. Persons wishing to nominate themselves as speakers should do so using this electronic link: http://www.ferc.gov/whats-new/registration/rp-03-08-speaker-form.asp. Such nominations must be made before

the close of business, Friday, February 18, 2005, so that an agenda for the technical conference can be drafted and published.

Transcripts of the conference will be immediately available from Ace Reporting Company (202-347-3700 or 1-800-336-6646) for a fee. They will be available for the public on the Commission's eLibrary system seven calendar days after FERC receives the transcript. Additionally, Capitol Connection offers the opportunity for remote listening and viewing of the conference. It is available for a fee, live over the Internet, by phone or via satellite. Persons interested in receiving the broadcast, or who need information on making arrangements should contact David Reininger or Julia Morelli at the Capitol Connection (703-993-3100) as soon as possible or visit the Capitol Connection Web site at http:// www.capitolconnection.gmu.edu and click on "FERC."

[Docket No. RM98-1-000]

Records Governing Off-the Record Communications; Public Notice

January 28, 2005.

This constitutes notice, in accordance with 18 CFR 385.2201(b), of the receipt of exempt and prohibited off-the-record communications.

Order No. 607 (64 FR 51222, September 22, 1999) requires Commission decisional employees, who make or receive an exempt or prohibited off-the-record communication relevant to the merit's of a contested on-therecord proceeding, to deliver a copy of the communication, if written, or a summary of the substance of any oral communication, to the Secretary.

Prohibited communications will be included in a public, non-decisional file associated with, but not a part of, the decisional record of the proceeding. Unless the Commission determines that the prohibited communication and any responses thereto should become a part of the decisional record, the prohibited off-the-record communication will not be considered by the Commission in reaching its decision. Parties to a proceeding may seek the opportunity to respond to any facts or contentions made in a prohibited off-the-record communication, and may request that the Commission place the prohibited communication and responses thereto in the decisional record. The Commission will grant such a request only when it determines that fairness so requires. Any person identified below as having made a prohibited off-the-record communication shall serve the document on all parties listed on the official service list for the applicable proceeding in accordance with Rule 2010, 18 CFR 385.2010.

Exempt off-the-record communications will be included in the decisional record of the proceeding, unless the communication was with a cooperating agency as described by 40 CFR 1501.6, made under 18 CFR 385.2201(e)(1)(v).

The following is a list of exempt communications recently received in the Office of the Secretary. The communications listed are grouped by docket numbers. These filings are available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at http://www.ferc.gov using the eLibrary (FERRIS) link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, please contact FERC, Online Support at FERCOnlineSupport@ferc.gov or toll free at (866) 208-3676, or for TTY, contact (202) 502-8659.
