## Highlights

Nature's peace and quiet attract many to this 29-site campground. Visitors have access to flush toilets, hot showers, and a dump station (no hookups). Each season, many regulars who like to get away from the hustle and bustle of city life and from more developed campgrounds enjoy this area.

## Surrounding Area

Enjoy your afternoons visiting the nearby Chattooga River Picnic Area, Walhalla State Fish Hatchery, or Ellicott Rock Wilderness Area. Hike part of the Foothills Trail, or take a 30-minute drive northeast to Whitewater Falls, the highest waterfall in the east. Get your exercise by riding a paddle boat on a mountain lake found at Oconee State Park, a few minutes south of the campground. A small park store meets some camper's supply needs.
