Office of Defense Trade Controls

A-24-048-01a(1) **The Defense Trade Application System (DTAS)**

Description: DTAS (The Defense Trade Application System) contains no substantive program information. It is an application software system that uses a variety of products to manage the operation of D-Trade and the future Registration/Compliance and Commodity Justification subsystems.

D-Trade Electronic Licensing System

The purpose of the D-Trade System is to support the mission and functions of the Directorate of Defense Trade Controls (DDTC). D-Trade is a web-based system intended to acquire, validate, and process munitions export application forms and attachments in an operational environment. DDTC annually adjudicates some 50,000-export requests by industry. Control of arms sales to foreign parties is an integral part of the U.S. ability to safeguard national security and further foreign policy objectives. Pursuant to the Arms Export Control Act (AECA), the International Traffic in Arms Regulations (ITAR), and presidential delegations of authority, the DDTC provides policy advice to U.S. persons involved in the manufacture, export, temporary import, and brokering of defense hardware, services, and related technical data covered by the U.S. Munitions List (USML).

Input

Arms Export Case Files (Electronic). Electronic submission input remotely from commercial company locations. Includes PKI protected Application Form, Contract or Purchase Order, Certificate of Compliance, in-house and other agencies clearances, and technical reference material describing the export product. Arranged by case type and number, company and country. Also includes information from the following forms:

DSP-5, Application/License for Permanent Export of Unclassified Defense Articles and Related Unclassified Technical Data (March 26, 2003 to present)

DSP-61, Application/License for Temporary Import of Unclassified Defense Articles and Related Unclassified Technical Data (2004 to present)

DSP-73, Application/License for Temporary Export of Unclassified Defense Articles and Related Unclassified Technical Data (2004 to present)

DSP-119, Application for Amendment for License for Export or Import of Classified or Unclassified Defense Articles and Related Technical Data (2004 to Present).

Disposition: TEMPORARY: Delete after input and verification of data into master file or when no longer needed to support the creation or reconstruction of the master file, whichever is later.
