***Bend--***The Sisters Ranger District administrative site in downtown Sisters will go up for auction on Monday June 23, 2008. The sale will include 62.5 acres in two parcels sold as one piece. All of the property is National Forest System land inside the Urban Growth Boundary of Sisters, Oregon.

“We're excited to take this next step toward building a new Forest Service Ranger Station in Sisters. We think the sale of this significant property within the City of Sisters is a huge win-win opportunity for both the Forest Service and the community," says District Ranger Bill Anthony.

Prospective bidders will be able to view and download the Invitation for Bid package and register to bid at the General Services Administration (GSA) real property sale website at [www.auctionrp.com](http://www.auctionrp.com). The auction will be open until at least the first week of August.
