

Form Number: 1110-0043.

Sponsor: Criminal Justice Information Services (CJIS) Division of the FBI, Department of Justice (DOJ).

(4) *Affected Public who will be asked or required to respond, as well as a brief abstract:*

Primary: Any individual requesting entry into the FBI's Criminal Justice Information Services (CJIS) Division's National Instant Criminal Background Check System (NICS) Section's Voluntary Appeal File (VAF).

Brief Abstract: Under 28 CFR, Part 25.9(b)(1), (2), (3), the NICS must destroy all identifying information on allowed transactions within 24 hours of the Federal Firearm Licensee (FFL) being notified of the transaction's proceed status. If a potential purchaser is delayed or denied a firearm, then successfully appeals the decision, the NICS Section cannot retain a record of the overturned appeal or the supporting documentation. If the record cannot be updated, the purchaser continues to be delayed or denied, and if that individual appeals the decision, the documentation must be resubmitted for every subsequent purchase. As such, the VAF was mandated to be created and maintained by the NICS Section for the purpose of preventing future lengthy delays or erroneous denials of a firearm transfer. An individual wishing to request entry into the VAF may obtain a VAF brochure from the NICS Section, an FFL, or the NICS Section Web site at the Internet address: <http://www.fbi.gov/programs/nics/index.htm>.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* It is estimated that 12,500 individuals will request entry into the VAF. It takes an average of 5 minutes to read and complete all areas of the application, an estimated 2 hours for the process of fingerprinting including travel, and 25 minutes to mail the form for a total of 2.5 hours estimated burden to the respondent.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The number of persons requesting entry into the VAF is estimated to be 12,500 individuals. The time it takes each individual to complete the process is 2.5 hours. The total public burden hours is 12,500 respondents multiplied by 2.5 hours which equals 31,250 total burden hours.
