1st Choices Demand Graph

The number of first choices by date are summarized in this graph for each river.

Note: The Selway River has zero demand on some dates because there is no available launch for that date. The Middle Fork and Wild Main Salmon rivers also have zero demand on some dates because some launches were full due to rollovers from the 2007 fires.

The data used in this graph is itemized in the table titled "2008 Lottery – 1st choices by River."
