This information is collected by form SSA–3368, the Adult Disability Report, and is

used by State DDS's to make disability determinations for SSA.

The respondents are applicants for Title II and Title XVI disability benefits. These applicants may complete the form using any of the following modalities: (1) The traditional paper form; (2) an interview with an SSA field office representative, using the EDCS; (3) the Internet (i3368); and (4) a modality, the i3368–PRO, an Internet form designed

to be completed by representatives of applicants for disability payments. The latter three versions of the form collect the same information as the paper form, but may be formatted differently and include certain enhancements (ex: self-help screens) to guide the claimant or interviewer through the application process.

Type of Request: Revision to an OMB-approved information collection.

SSA employees use this form but it is also used by state record custodians and other custodians of evidentiary documents.

If a claimant wishes to waive his/her statutory right to appear before an ALJ, he/she must complete a written request.
