

Responsible Official

Michael D. Lloyd, District Ranger, Black Hills National Forest, Hell Canyon Ranger District, 330 Mount Rushmore Road, Custer, South Dakota 57730.

Nature of Decision To Be Made

The decision to be made is whether or not to implement the proposed action or an alternative to the proposed action at this time.

Scoping Process

The Hell Canyon Ranger District has mailed letters with comprehensive scoping documents to landowners, local and tribal government representatives, permittees, and other interested or potentially affected parties and organizations. The scoping document with attached maps will be posted on the Black Hills National Forest Web site in July 2007. Comments submitted in response to this NOI will be most useful to the project planning team if received within 30 days from the date of this notice.

Comment Requested

This notice of intent is part of the scoping process which will guide the development of the EIS. Comments received will assist the planning team with identification of key issues to refine the proposal, create alternative proposals, and identify necessary project design features. Comments on the Draft EIS will be requested during the 45 day comment period following publication of the Notice of Availability in the **Federal Register** which is expected in January 2008.

Early Notice of Importance of Public Participation in Subsequent Environmental Review

A Draft EIS will be prepared for comment. The comment period on the draft environmental impact statement will be 45 days from the date the Environmental Protection Agency publishes the Notice of Availability in the **Federal Register**.

The Forest Service planning team would like to take this opportunity to give reviewers advanced notice of several court rulings related to public participation in the environmental review process: (1) Reviewers of draft environmental impact statements must structure their participation in the environmental review of the proposal so that it is meaningful and alters an agency to the reviewer's position and contentions. *Vermont Yankee Nuclear Power Corp. v. NRDC*, 435 U.S. 519, 553 (1978); (2) Environmental objections that could be raised at the draft environmental impact statement stage

but that are not raised until after completion of the final environmental impact statement may be waived or dismissed by the courts. *City of Angoon v. Hodel*, 803 F.2d 1016, 1022 (9th Cir. 1986) and *Wisconsin Heritages, Inc. v. Harris*, 490 F. Supp. 1334, 1338 (E.D. Wis. 1980). Because of these court rulings, parties interested in this proposed action must submit comments by the close of the 45 day comment period to assure that the Forest Service planning team can meaningfully consider and respond to them in the final environmental impact statement. To assist the Forest Service in identifying and considering issues and concerns on the proposed action, comments on the draft environmental impact statement should be as specific as possible. Please refer to specific pages or chapters of the draft statement. Comments may also address the adequacy of the draft environmental impact statement or the merits of the alternatives formulated and discussed within the statement. In addressing these points, reviewers may wish to refer to the Council on Environmental Quality Regulations for implementing the procedural provisions of the National Environmental Policy Act at 40 CFR 1503.3.

Comments received on this proposal, including names and addresses of those who comment, will be considered part of the public record and will be available for public inspection.

Foreign-Trade Zones Board

[Docket 24-2007]

Foreign-Trade Zone 26—Atlanta, GA; Request for Manufacturing Authority; Perkins Shibaura Engines LLC (Diesel Engines)

An application has been submitted to the Foreign-Trade Zones Board (the Board) by Georgia Foreign-Trade Zone, Inc., grantee of FTZ 26, pursuant to Section 400.28(a)(2) of the Board's regulations (15 CFR part 400), requesting authority on behalf of Perkins Shibaura Engines LLC (Perkins Shibaura) to manufacture diesel engines under FTZ procedures within FTZ 26. It was formally filed on July 19, 2007.

The Perkins Shibaura facility (150 employees) is located at 325 Green Valley Road within the Green Valley Industrial Park (Site 6) in Griffin, Georgia. Under FTZ procedures, Perkins Shibaura would assemble up to 50,000 compact diesel engines (HTSUS 8408.90; 10-60 horsepower) for the U.S. market and export. Foreign components that would be used in the FTZ assembly activity include: Fuel/water pumps, injectors, crankshafts, camshafts, flywheels, pulleys, filters, motors, glowplugs, seals and o-rings, bearings and housings, tubes/pipes/hoses of rubber, belts, flanges, spring/lock washers, fasteners, fittings, cylinder heads, pumps, actuator motors, compressors, cooling fans, holders, air filters, gears, gearboxes, speed changers, torque converters, ball/roller screws, generators, ignition parts, electrical switches and connectors, process control instruments, paints, gaskets, sealants, stoppers/lids, labels, decals, articles of graphite or carbon, adaptors,

tubes, pipes, plugs, heat exchangers, brake rotors, governors, brackets, solenoids and actuators, electrical converters/transformers/inductors, printed circuit boards, sensors, senders, meters and gauges, instruments; and signaling equipment (duty rates: free—9.0%).

FTZ procedures would exempt Perkins Shibaura from Customs duty payments on the foreign components used in export production. On shipments to the U.S. market, Perkins Shibaura could elect the finished engine duty rate (free) for the foreign components used in production when the finished engines are entered for U.S. consumption from the zone. The application indicates that the company would also realize duty deferral and certain logistical/supply chain savings.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the following address: Office of the Executive Secretary, Room 2111, U.S. Department of Commerce, 1401 Constitution Avenue, NW., Washington, DC 20230-0002.
