

The proposed rule change also provides that Dual Members will be subject to FINRA's disciplinary procedures, including FINRA's current \$2,500 maximum fine level for minor rule violations of either an NASD or NYSE rule included in FINRA's MRVP. While there are some distinctions between NASD's and NYSE's rules, both sets of rules applicable to the disciplinary process were previously approved by the Commission as consistent with the Exchange Act, generally following notice and comment.¹⁴ Accordingly, although Dual Members and their associated persons no longer would be subject to NYSE's disciplinary procedures with respect to the Incorporated NYSE Rules, but to FINRA's instead, the Commission finds that the proposed rule change should help ensure greater consistency in the administration of the disciplinary process for FINRA and its members, as well as in the related reporting obligations for minor violations of rules.

IV. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Exchange Act,¹⁵ that the proposed rule change (SR-NASD-2007-055), be, and it hereby is, approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹⁶

Nancy M. Morris,
Secretary.
