Notice of Extension of Time Limit for the Preliminary Results of Administrative Review of the Suspension Agreement on Certain Cut–to-Length Carbon Steel Plate from Russia

AGENCY: Import Administration, International Trade Administration, Department of Commerce. ACTION: Notice of Extension of Time Limit for the Preliminary Results of Administrative Review of the Suspension Agreement on Certain Cut– to-Length Carbon Steel Plate from Russia.

SUMMARY: The Department of Commerce (the Department) is extending the time limit for the preliminary results of the administrative review on the suspension agreement on cut–to-length carbon steel plate from Russia.

EFFECTIVE DATE: October 1, 2007. **FOR FURTHER INFORMATION CONTACT:** Sally Gannon or Jay Carreiro, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230, telephone: (202) 482–0162 or (202) 482– 3674.

EXTENSION OF PRELIMINARY RESULTS:

The Department published its notice of initiation of this review in the **Federal Register** on February 28, 2007. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 70 FR 8969 (February 28, 2007). Pursuant to the time limits for administrative reviews set forth in section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Tariff Act), the current deadlines are October 3, 2007 for the preliminary results and January 31, 2008 for the final results.

The Department finds that it is not practicable to complete the preliminary results by October 3, 2007. Because this is the first administrative review of this agreement since it was converted to a market-economy agreement in 2003, the Department needs additional time to complete its preliminary analysis. The Department must carefully consider the information submitted by JSC Severstal in this review and must address any novel issues which arise in the context of its examination of compliance with the suspension agreement's terms, a process which, to date, has not occurred in this segment of the proceeding. Therefore, the Department is extending the time limit for completing the preliminary results of the review until

January 31, 2008. The deadline for the final results of this review will continue to be 120 days after publication of the preliminary results.

This extension is in accordance with section 751(a)(3)(A) of the Tariff Act.

Dated: September 24, 2007.

This announcement covers selection for International Buyer Program participation for Calendar Year 2009 (January 1, 2009 through December 31, 2009).

The International Buyer Program (IBP) was established to bring international buyers together with U.S. firms by promoting leading U.S. trade shows in industries with high export potential. The International Buyer Program emphasizes cooperation between the DOC and trade show organizers to benefit U.S. firms exhibiting at selected events and provides practical, hands-on assistance such as export counseling and market analysis to U.S. companies interested in exporting. The assistance provided to show organizers includes worldwide overseas promotion of selected shows to potential international buyers, end-users, representatives and distributors. The worldwide promotion is executed through the offices of the DOC United States and Foreign Commercial Service (hereinafter referred to as the Commercial Service) in more than 70 countries representing the United States' major trading partners, and also in U.S. Embassies in countries where the Commercial Service does not maintain offices. The Department expects to select approximately 40 shows for the January 1, 2009 through December 31, 2009 period from among applicants to the program. Shows selected for the

International Buyer Program will provide a venue for U.S. companies interested in expanding their sales into international markets. Successful show organizer applicants will be required to enter into a Memorandum of Agreement (MOA) with the DOC. The MOA constitutes an agreement between the DOC and the show organizer specifying which responsibilities are to be undertaken by DOC as part of the IBP and, in turn, which responsibilities are to be undertaken by the show organizer. Anyone requesting application information will be sent a sample copy of the MOA along with the application and a copy of this Federal Register Notice. The responsibilities to be undertaken by DOC will be carried out by the Commercial Service.
