SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-55918; File No. SR-CBOE-2007-63]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Regarding Fees for the CBOE Stock Exchange

June 18, 2007.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 8, 2007, the Chicago Board Options Exchange, Incorporated (“Exchange” or “CBOE”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to modify its fees applicable to the CBOE Stock Exchange (“CBSX”). The text of the proposed rule change is available on the Exchange’s Web site (<http://www.cboe.org/legal>), at the Exchange’s principal office, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of

the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The CBSX fee schedule lists the fees applicable to trading on CBSX. The transaction fees are based on whether the executing member is “taking” liquidity or “making” liquidity in connection with the transaction. This proposal would modify the fees in four respects: (1) It would eliminate the liquidity taker volume tiers so that all takers are charged a flat \$0.29 per 100 shares regardless of the volume executed by the user; (2) it would increase the default maker rebate amount from \$0.24 per 100 shares to \$0.26 per 100 shares; (3) it would increase the qualifying Remote Market-Maker rebate from \$0.25 per 100 shares to \$0.27 per 100 shares; and (4) on NBBO step-up trades, where liquidity providers on CBSX step-up to the NBBO price displayed by another market, the “maker” for fee purposes would be deemed to be the side that steps-up (and the maker rebate for this step up would be \$0.20 per 100 shares), and the taker would be the order that was flashed for a potential NBBO fill. The changes took effect on June 11, 2007.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act³ in general, and furthers the objectives of Section 6(b)(4)⁴ in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change establishes or changes a due, fee, or other charge imposed by the Exchange, it has become effective upon filing pursuant to Section 19(b)(3)(A) of the Act⁵ and Rule 19b-4(f)(2)⁶ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-55916; File No. SR-NASD-2007-037]

Self-Regulatory Organizations; National Association of Securities Dealers, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend NASD Rules To Extend the Closing Time of the NASD/NYSE Trade Reporting Facility to 8 p.m.

June 15, 2007.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 12, 2007, the National Association of Securities Dealers, Inc. (“NASD”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II and III below, which Items have been prepared substantially by NASD. NASD filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6) thereunder,⁴ which renders it effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

NASD is proposing to amend Rules 4632E and 6130E relating to the NASD/NYSE Trade Reporting Facility (the “NASD/NYSE TRF”) to change the

system closing time from 6:30 p.m. to 8 p.m. (Eastern Time), which conforms with the system closing time of the NASD/Nasdaq Trade Reporting Facility (the “NASD/Nasdaq TRF”). In addition, NASD is proposing certain technical, conforming changes to Rule 4632E and Rules 4632 and 6130 relating to the NASD/Nasdaq TRF. The text of the proposed rule change is available at <http://www.nasd.com>, NASD, and the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NASD included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. NASD has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Extension of Operating Hours of NASD/NYSE TRF

The NASD/Nasdaq TRF and NASD/NYSE TRF provide NASD members with mechanisms for reporting locked-in transactions in exchange-listed securities effected otherwise than on an exchange. Currently, the NASD/NYSE TRF trade reporting rules reflect a system closing time of 6:30 p.m. (Eastern Time), which until recently was the system closing time of the NASD/Nasdaq TRF and UTP Securities Information Processor (“SIP”). Effective September 18, 2006, the UTP SIP system closing time was extended from 6:30 p.m. to 8 p.m. (Eastern Time) and, to accommodate the extended UTP SIP system closing time, the closing time of the NASD/Nasdaq TRF subsequently was extended from 6:30 p.m. to 8 p.m. (Eastern Time).⁵

NASD is proposing to extend the system hours of the NASD/NYSE TRF from 6:30 p.m. to 8 p.m. (Eastern Time). Specifically, NASD is proposing to amend Rules 4632E(a) and (g) and 6130E(f) to reflect a system closing time of 8 p.m. (Eastern Time). In addition, on the Regulation NMS Pilot Stocks Phase

Date, amendments will become effective pursuant to SR-NASD-2007-014 which will, among other things, adopt new paragraph (a)(5)(H) of Rule 4632E.⁶ NASD also is proposing to amend that provision to reflect a system closing time of 8 p.m. The proposed rule change will allow market participants to timely report more trades taking place after normal market hours to the NASD/NYSE TRF, as they can do today to the NASD/Nasdaq TRF.

Technical, Non-Substantive Rule Changes

NASD is proposing a technical, non-substantive change to Rule 6130(g) to clarify that the system closing time for the NASD/Nasdaq TRF and OTC Reporting Facility is 8 p.m., not 6:30 p.m. (Eastern Time). Rule 6130(g) became effective after SR-NASD-2006-120 was filed and thus was not included in the proposed rule change to extend the system closing time from 6:30 to 8 p.m. (Eastern Time).

Additionally, NASD is proposing technical, non-substantive changes to Rule 4632(a)(2)(B) and (D) relating to the NASD/Nasdaq TRF and Rule 4632E(a)(2)(B) and (D) relating to the NASD/NYSE TRF for the sake of internal consistency and to conform to the rules relating to the other NASD Trade Reporting Facilities (see Rule 4632C(a)(2)(B) and (D) and Rule 4632D(a)(2)(B) and (D)). Specifically, the technical changes will clarify that reports submitted on an “as/of” basis pursuant to these provisions should be reported the following business day (T+1).

NASD is filing the proposed rule change for immediate effectiveness. The proposed rule change will not become operative prior to the 30th day after the date of filing. NASD will announce the operative date on its Web site.

2. Statutory Basis

NASD believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,⁷ which requires, among other things, that NASD rules be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. NASD believes that, by affording market participants additional time to report trades taking place after normal market hours, the proposed rule change will
