#### SUPPLEMENTARY INFORMATION:

##### Summary of Information Collection

The method SDDC uses to procure shipments is the voluntary submission by carriers during two intrastate filing cycles each year, May 1 to October 31 and November 1 to April 30. Historically, carriers file higher rates in the winter cycle. By accepting rates in two cycles, the Government experiences lower costs during the summer month for the same services. If rates were filed less frequently, shipments would move at higher cost.
