## INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701-TA-404-408 and 731-TA-898-908 (Review)]

**Hot-Rolled Steel Products From Argentina, China, India, Indonesia, Kazakhstan, Netherlands, Romania, South Africa, Taiwan, Thailand, and Ukraine**

**AGENCY:** United States International Trade Commission.

**ACTION:** Revised schedule for the subject full five-year reviews.

**EFFECTIVE DATE:** March 14, 2007.

**FOR FURTHER INFORMATION CONTACT:**

Mary Messer (202-205-3193), Office of Investigations, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202-205-1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000. General information concerning the Commission may also be obtained by accessing its internet server (<http://www.usitc.gov>). The public record for these reviews may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>.

**SUPPLEMENTARY INFORMATION:** Effective January 11, 2007, the Commission established a schedule for the conduct of the subject full five-year reviews (72 FR 2556, January 19, 2007), in which it determined to exercise its authority to extend the full review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B) based on the Department of Commerce's scheduled final determination date of June 22, 2007, for the review concerning the antidumping duty order on hot-rolled steel from the Netherlands. However, on March 1, 2007, the Department of Commerce initiated proceedings to implement the World Trade Organization ("WTO") panel's report consistent with section 129 of the URAA in the antidumping duty investigation concerning hot-rolled steel from the Netherlands (*See Implementation of the Findings of the WTO Panel in U.S. Zeroing (EC): Notice of Initiation of Proceedings Under Section 129 of the URAA; Opportunity to Request Administrative Protective Orders; and Proposed Timetable and Procedures (72 F.R. 9306)*). In its Preliminary Results for the Section 129 Determinations (<http://ia.ita.doc.gov/download/zeroing/20070222-Zeroing-Prelim-Decision-Memo.pdf>), the Department of Commerce preliminarily recalculated the weighted-average dumping margin concerning the antidumping duty order on hot-rolled steel from the Netherlands as follows: "The margin for Corus Staal BV, the sole respondent, decreases from 2.59 percent to zero. Since Corus Staal BV was the only respondent in the investigation, if this margin remains at zero or *de minimis* for the final recalculation, this order will be revoked." The United States has indicated that it will implement the recommendations and rulings of the WTO Dispute Settlement

Body (DSB) by April 9, 2007. In light of Commerce's preliminary determinations in the Section 129 proceedings concerning hot-rolled steel from the Netherlands and in order to ensure that it meets its statutory deadlines, the Commission therefore is revising its schedule for the subject full five-year reviews.

The Commission's new schedule for the full five-year reviews is as follows: the prehearing staff report will be placed in the nonpublic record on July 11, 2007; the deadline for filing prehearing briefs is July 20, 2007; requests to appear at the hearing should be filed in writing with the Secretary to the Commission on or before July 20, 2007; the prehearing conference will be held at the U.S. International Trade Commission Building at 9:30 a.m. on July 25, 2007; a two-day hearing will be held at the U.S. International Trade Commission Building at 9:30 a.m. on July 31 and August 1, 2007; the deadline for filing posthearing briefs is August 23, 2007; the final staff report will be placed in the nonpublic record on September 21, 2007; the Commission will make its final release of information on October 2, 2007; and final party comments are due on October 4, 2007.

For further information concerning these reviews see the Commission's notice cited above and the Commission's Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A and C (19 CFR part 207).

**Authority:** These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.21 of the Commission's rules.

By order of the Commission.

Issued: March 15, 2007.

**SUPPLEMENTARY INFORMATION:** The USTR's letter states that the United States reached agreement at the WTO Ministerial Conference in Hong Kong in December 2005 to provide DFQF market access to products from the LDCs (as defined by the United Nations), as outlined in the decision on proposal 36

in Annex F of the Hong Kong Ministerial Declaration. The letter states that the United States has announced that it will implement this initiative together with the results of the overall negotiations under the Doha Development Agenda.

In providing its advice, the USTR asked that the Commission consider each article in Chapters 1 through 97 of the Harmonized Tariff Schedule of the United States (HTS) for which U.S. tariffs or quotas will remain after the United States fully implements its Uruguay Round tariff commitments, taking into account preferential tariff treatment currently being provided to LDCs under the Generalized System of Preferences, the African Growth and Opportunity Act, and Caribbean Basin Initiative programs. The USTR asked that the advice be based on the 2002 HTS nomenclature, and trade and tariff rate data for the year 2006. The USTR requested that the advice be provided at the 8-digit HTS level, or the lowest level of aggregation feasible.

As requested, the Commission will transmit its advice to the USTR by August 16, 2007. The USTR indicated that the sections of the Commission's report that analyze the probable economic effects and other information that would reveal any aspect of the Commission's economic effect advice, should be classified as confidential national security information.

**Written Submissions:** No public hearing is planned. However, interested parties are invited to submit written statements concerning the matters to be addressed by the Commission in its report on this investigation. Submissions should be addressed to the Secretary to the Commission. To be assured of consideration by the Commission, written statements related to the investigation should be submitted to the Commission at the earliest practical date but no later than 5:15 p.m. on April 3, 2007. In the event that confidential treatment of the document is requested, at least four (4) additional copies must be filed, in which the confidential business information must be deleted (see the following paragraph for further information regarding confidential business information). The Commission's rules do not authorize the filing of submissions with the Secretary by facsimile or electronic means, except

to the extent permitted by section 201.8 of the rules (see Handbook for Electronic Filing Procedures, [http://www.usitc.gov/secretary/fed\\_reg\\_notices/rules/documents/handbook\\_on\\_electronic\\_filing.pdf](http://www.usitc.gov/secretary/fed_reg_notices/rules/documents/handbook_on_electronic_filing.pdf)). Persons with questions regarding electronic filing should contact the Secretary (202-205-2000 or [edis@usitc.gov](mailto:edis@usitc.gov)).

Any submissions that contain confidential business information must also conform with the requirements of § 201.6 of the Commission's Rules of Practice and Procedure (19 CFR 201.6). Section 201.6 of the rules requires that the cover of the document and the individual pages be clearly marked as to whether they are the "confidential" or "nonconfidential" version, and that the confidential business information be clearly identified by means of brackets.

All written submissions, except for confidential business information, will be made available in the Office of the Secretary to the Commission for inspection by interested parties. The Commission may include some or all of the confidential business information submitted in the course of this investigation in the report it sends to the USTR. The Commission does not intend to issue a public version of its report at this time. Should the Commission issue a public version at a later time, it will not publish confidential business information in a manner that would reveal the operations of the firm supplying the information.
