Chlorinated Isocyanurates from the People's Republic of China: Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: March 5, 2007.

FOR FURTHER INFORMATION CONTACT:

Katharine Huang or Charles Riggle, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone (202) 482-1271 or (202) 482-0650, respectively.

Background

On July 27, 2006, the Department of Commerce (the "Department") published a notice of initiation of administrative review of the antidumping duty order on chlorinated isocyanurates from the People's Republic of China, covering the period December 16, 2004, through May 31, 2006. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 71 FR 42626 (July 27, 2006). The preliminary results are currently due no later than March 2, 2007.

Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order or finding for which a review is requested and a final determination within 120 days after the date on which the preliminary determination is published. However, if it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the 245-day time limit for the preliminary determination to a maximum of 365 days and the time limit for the final determination to 180 days (or 300 days if the Department does not extend the time limit for the preliminary determination) from the date of publication of the preliminary determination.

Extension of Time Limit for Preliminary Results of Review

We determine that it is not practicable to complete the preliminary results of

this review within the original time limit. Additional time is required to analyze complicated issues raised by the parties regarding possible affiliation. Therefore, the Department is extending the time limit for completion of the preliminary results by 60 days until no later than May 1, 2007. We intend to issue the final results no later than 120 days after the publication of the preliminary results notice.

This extension is in accordance with section 751(a)(3)(A) of the Act.

Dated: February 20, 2007.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Furfuryl Alcohol from Thailand; Final Results of the Second Sunset Review of the Antidumping Duty Order and Revocation of the Order
