SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension:

Rule 6h-1; SEC File No. 270-497; OMB Control No. 3235-0555.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

The Securities Exchange Act of 1934 ("Act") requires national securities exchanges and national securities associations that trade security futures products to establish listing standards that, among other things, require: (1) Trading in such products not be readily susceptible to price manipulation; and (2) the market trading a security futures product to have in place procedures to coordinate trading halts with the listing market for the security or securities underlying the security futures product. Rule 6h-1 under the Act¹ implements these statutory requirements and requires national securities exchanges and national securities associations that trade security futures products: (1) To use final settlement prices for cash-settled security futures that fairly reflect the opening price of the underlying security or securities, and (2) to have rules providing that the trading of a security futures product based on a single security shall be halted at all times that a regulatory halt has been

¹ 17 CFR 240.6h-1.

instituted for the underlying security, and that the trading of a security futures product based on a narrow-based security index shall be halted at all times that a regulatory halt has been instituted for one or more of the underlying securities that constitute 50 percent or more of the market capitalization of the narrow-based security index.

It is estimated that approximately seventeen respondents will incur an average burden of ten hours per year to comply with this rule, for a total burden of 170 hours. At an average cost per hour of approximately \$197, the resultant total cost of compliance for the respondents is \$33,490 per year (seventeen entities × ten hours/entity × \$197/hour = \$33,490).

Written comments are invited on (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Comments should be directed to: R. Corey Booth, Director/Chief Information Officer, Securities and Exchange Commission, C/O Shirley Martinson, 6432 General Green Way, Alexandria, VA 22312 or send an email to: PRA_Mailbox@sec.gov. Comments must be submitted within 60 days of this notice.

Dated: July 2, 2007.

Florence E. Harmon,
Deputy Secretary.
