

DEPARTMENT OF COMMERCE**Foreign-Trade Zones Board**

[Order No. 1503]

Approval of Request for Manufacturing Authority (Wheel Assembly), Foreign-Trade Subzone 22N, Michelin North America, Inc., Monee, Illinois

Pursuant to its authority under the Foreign-Trade Zones Act of June 18, 1934, as amended (19 U.S.C. 81a–81u), the Foreign-Trade Zones Board (the Board) adopts the following Order:

Whereas, the Illinois International Port District, grantee of Foreign-Trade Zone 22, has applied for manufacturing authority under zone procedures within Subzone 22N, at the Michelin North America, Inc., tire-distribution facility located in Monee, Illinois, to conduct wheel assembly (FTZ Docket 4–2006; filed 2/2/2006);

Whereas, notice inviting public comment has been given in the **Federal Register** (71 FR 7008, 2/10/06); and,

Whereas, the Board adopts the findings and recommendations of the examiner's report, and finds that the requirements of the FTZ Act and the Board's regulations are satisfied, and that the proposal is in the public interest;

Now, therefore, the Board hereby approves the request for manufacturing authority related to wheel assembly, as described in the application and in the **Federal Register** notice, subject to the FTZ Act and the Board's regulations, including Section 400.28.

Signed at Washington, DC, this 28th day of February 2007.

David M. Spooner,

Assistant Secretary of Commerce for Import Administration, Alternate Chairman, Foreign-Trade Zones Board.

DEPARTMENT OF COMMERCE**Foreign-Trade Zones Board**

[Docket 3–2007]

Review of Sourcing Change, Foreign-Trade Subzone 43D, Perrigo Company, Allegan, Michigan (Ibuprofen Products)

Pursuant to the regulations of the Foreign-Trade Zones (FTZ) Board (the Board), a review has been initiated (under 15 CFR Sec. 400.28(a)(3)(iii)(A)) of changes in sourcing related to certain ibuprofen products at Foreign-Trade Subzone 43D, at the manufacturing facilities of the Perrigo Company (Perrigo), in Allegan, Michigan, which

produce a range of store-brand, over-the-counter (OTC) pharmaceutical products.

In May 2003, the Board filed an application from the City of Battle Creek, Michigan, grantee of FTZ 43, requesting special-purpose subzone status with certain manufacturing authority for Perrigo. The subzone application was approved by the Board on April 13, 2004 (Board Order 1326, 69 FR 21498, 4/21/04), including the manufacture under FTZ procedures of certain OTC pharmaceutical products containing ibuprofen, aspirin and acetaminophen. Specific to ibuprofen, Perrigo produces finished ibuprofen mixture and finished ibuprofen products (HTSUS headings 3003 and 3004, duty-free) using foreign-sourced active ingredient ibuprofen (HTSUS 2916.39.15, 6.5% duty rate). On products shipped to the U.S. market, the company is able to choose the duty rate during Customs entry procedures that applies to the finished ibuprofen mixture and products (duty-free) for the otherwise dutiable foreign active ingredient (6.5% duty rate) noted above (inverted tariff), as described in the application.

Perrigo has now notified the Board of additional sourcing of foreign active ingredient ibuprofen that it may manufacture into OTC ibuprofen products under zone procedures. In its original application, Perrigo had projected approximately \$450,000 (90 percent of its total FTZ savings) in annual inverted tariff savings for its OTC ibuprofen, acetaminophen and aspirin production. Perrigo's sourcing-change submission now projects up to an additional \$1.55 million in inverted tariff savings tied to the sourcing change for its OTC ibuprofen products.

In accordance with the Board's regulations, a member of the FTZ staff has been designated examiner to investigate the sourcing change, including its potential to cause "significant adverse effects" (15 CFR 400.28(a)(3)(iii)(A)), and report to the Board.

Public comment is invited from interested parties. Information submitted for the record generally should be in a non-proprietary format. If there is a need to submit business proprietary information, it should be appropriately marked and summarized or ranged (in the case of numerical data) in the public submission, which should be accompanied by a single business proprietary version.

Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for the receipt

of the public comment submissions is May 10, 2007. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period through May 25, 2007.

A copy of the sourcing-change submission will be available for public inspection at the following location: Office of the Executive Secretary, Foreign-Trade Zones Board, Room 2814B, U.S. Department of Commerce, 1401 Constitution Avenue, NW, Washington, D.C. 20230–0002. For further information, contact Diane Finver at Diane_Finver@ita.doc.gov or (202) 482–1367.

Dated: March 5, 2007.

Andrew McGilvray,

Executive Secretary.

DEPARTMENT OF COMMERCE**Foreign-Trade Zones Board**

[Order No. 1504]

Expansion of Foreign-Trade Zone 49; Newark, New Jersey

Pursuant to its authority under the Foreign-Trade Zones Act of June 18, 1934, as amended (19 U.S.C. 81a–81u), the Foreign-Trade Zones Board (the Board) adopts the following Order:

Whereas, the Port Authority of New York and New Jersey, grantee of Foreign-Trade Zone 49, submitted an application to the Board for authority to expand FTZ 49 in the Newark area to include additional sites at the I-Port 12 industrial park (Site 7) in Carteret, the I-Port 440 industrial park (Site 8) in Perth Amboy, the Port Reading Business Park (Site 9) in Woodbridge, and, the Port Elizabeth Business Park (Site 10) in Elizabeth, within the Newark/New York Customs and Border Protection port of entry (FTZ Docket 23–2006; filed 6/14/06);

Whereas, notice inviting public comment was given in the **Federal Register** (71 FR 35611, 6/21/06), and the application has been processed pursuant to the FTZ Act and the Board's regulations; and,

Whereas, the Board adopts the findings and recommendations of the examiner's report, and finds that the requirements of the FTZ Act and Board's regulations are satisfied, and that the proposal is in the public interest;

Now, therefore, the Board hereby orders:

The application to expand FTZ 49 is approved, subject to the FTZ Act and

the Board's regulations, including Section 400.28, and further subject to the Board's standard 2,000-acre activation limit for the overall zone project and a sunset provision for Sites 7 through 10 that would terminate authority for the sites on March 31, 2014, for any of the sites that have not been activated under FTZ procedures before that date.

Signed at Washington, DC this 28th day of February 2007.

David M. Spooner,

Assistant Secretary of Commerce for Import Administration, Alternate Chairman, Foreign-Trade Zones Board.

Attest:

Andrew McGilvray,

Executive Secretary.

BILLING CODE 3510-DS-P

DEPARTMENT OF COMMERCE

Foreign-Trade Zones Board

[Docket 9-2007]

Foreign-Trade Zone 38-Spartanburg County, South Carolina, Application for Subzone, Leiner Health Products LLC (Ibuprofen Products), Fort Mill, South Carolina

An application has been submitted to the Foreign-Trade Zones (FTZ) Board (the Board) by the South Carolina State Ports Authority, grantee of FTZ 38, requesting special-purpose subzone status with manufacturing authority for certain ibuprofen products at the pharmaceutical manufacturing facility of Leiner Health Products, LLC (Leiner), located in Fort Mill, South Carolina. Leiner is a manufacturer of store-brand vitamin, mineral and nutritional supplements (VMS) and over-the-counter (OTC) pharmaceutical products. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on March 2, 2007.

The proposed subzone (1 building of 620,000 square feet of enclosed space on 27 acres) is located at 355 Crestmont Drive, in Fort Mill, South Carolina. The Leiner plant (600 permanent employees and 100-200 seasonal employees) manufactures, packages, and warehouses both solid-dose VMS and OTC pharmaceutical products.

Initially, Leiner is proposing to manufacture ibuprofen products under zone procedures at the plant. At the outset, inverted tariff zone savings will result from the production of finished

ibuprofen mixture (HTSUS 3003.90, duty-free) and finished ibuprofen products (HTSUS 3004.90, duty-free; up to 2.5 billion pills per year) using foreign-sourced active ingredient ibuprofen (HTSUS 2916.39, 6.5% duty rate).

The application also indicates the possibility of producing bulk acetaminophen mixture (HTSUS 3003.90, duty-free) and finished acetaminophen products (HTSUS 3004.90, duty-free), which the company may produce at the plant in the future, using foreign-sourced active ingredient acetaminophen (HTSUS 2924.29, 6.5% duty rate). (New major activity for this product would require review by the FTZ Board.) Leiner also plans to admit other foreign inputs under FTZ procedures, but will make customs entry before manufacture into products at the Fort Mill facility or before distribution to other Leiner U.S. manufacturing facilities.

For Leiner's ibuprofen-related production, zone procedures would exempt the company from Customs duty payments on foreign materials used in production for export. On domestic shipments, the company would be able to choose the duty rate during Customs entry procedures that applies to finished ibuprofen mixture and products (duty-free) for the otherwise dutiable foreign active ingredient inputs (6.5% duty rate) noted above (inverted tariff).

Leiner would also obtain duty deferral savings and be able to avoid duty on foreign inputs which become scrap/waste (approximately 5% scrap and waste rate). Additionally, Leiner may realize logistical/procedural and other benefits from subzone status. The application projects up to \$642,000 in total FTZ savings (some 65% of which are tied to the inverted tariff on ibuprofen), which it indicates would help improve the international competitiveness of Leiner's Fort Mill plant. In accordance with the Board's regulations, a member of the FTZ staff has been designated examiner to investigate the application and report to the Board.

Public comment is invited from interested parties. Information submitted for the record generally should be in a non-proprietary format. If there is a need to submit business proprietary information, it should be appropriately marked and summarized or ranged (in the case of numerical data) in the public submission, which should be accompanied by a single business proprietary version.

Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address

below. The closing period for the receipt of the public comment submissions is May 10, 2007. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period through May 25, 2007.

A copy of the application will be available for public inspection at each of the following locations: U.S. Department of Commerce Export Assistance Center, 521 East Morehead Street, Suite 435, Charlotte, NC 28217; and, Office of the Executive Secretary, Foreign-Trade Zones Board, Room 2814B, U.S. Department of Commerce, 1401 Constitution Avenue, NW, Washington, D.C. 20230-0002.

For further information, contact Diane Finver at Diane_Finver@ita.doc.gov or (202) 482-1367.

Dated: March 5, 2007.

Andrew McGilvray,

Executive Secretary.

International Trade Administration

[A-475-801, A-412-801]

Ball Bearings and Parts Thereof from Italy and the United Kingdom: Initiation of Antidumping Duty Changed-Circumstances Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce has received information sufficient to warrant initiation of changed-circumstances reviews of the antidumping duty orders on ball bearings and parts thereof from Italy and the United Kingdom pursuant to section 751(b) of the Tariff Act of 1930, as amended.

EFFECTIVE DATE: March 9, 2007.

FOR FURTHER INFORMATION CONTACT: Kristin Case at (202) 482-3174 or Richard Rimlinger at (202) 482-4477, AD/CVD Operations, Office 5, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

The Department of Commerce (the Department) published antidumping duty orders on ball bearings and parts thereof from Italy and the United Kingdom on May 15, 1989. See *Antidumping Duty Orders: Ball Bearings*
