#### Notice of Extension of Time Limit for Final Results of Antidumping Duty Administrative Review: Certain Corrosion-Resistant Carbon Steel Flat Products from Canada

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** January 10, 2007.

**FOR FURTHER INFORMATION CONTACT:** Douglas Kirby or Joshua Reitze, AD/CVD Operations, Office 6, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-3782 or (202) 482-0666, respectively.

#### SUPPLEMENTARY INFORMATION:

##### Background

On September 11, 2006, the Department of Commerce (the Department) published the preliminary results of the administrative review of the antidumping duty order on certain corrosion-resistant carbon steel flat products from Canada for the period of August 1, 2004, through July 31, 2005 (*see Certain Corrosion-Resistant Carbon Steel Flat Products from Canada: Preliminary Results of Antidumping Duty Administrative Review*, 71 FR 53363, September 11, 2006) (*Preliminary Results*). The current deadline for the final results of this review is January 9, 2007.

##### Extension of Time Limit for Final Results of Review

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to issue the final results in an administrative review within 120 days of the date on which the preliminary results were published. However, if it is not practicable to complete the review within this time

period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results to 180 days from the date of publication of the preliminary results.

The Department needs additional time to analyze the case briefs and rebuttal comments. Therefore, the Department finds that it is not practicable to complete the review by the original deadline of January 9, 2007. Consequently, in accordance with section 751(a)(3)(A) of the Act and section 351.213(h)(2) of the Department's regulations, the Department is extending the time limit for the completion of the final results of the review until no later than March 10, 2007, which is 180 days from the publication of the preliminary results.

This notice is issued and published in accordance with section 751(a)(3)(A) of the Act.

Dated: January 3, 2007.

**Stephen J. Claeys,**

*Deputy Assistant Secretary for Import Administration*

#### Foundry Coke Products from the People's Republic of China: Continuation of Antidumping Duty Order

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** As a result of the determinations by the Department of Commerce ("the Department") and the International Trade Commission ("ITC") that revocation of the antidumping duty order on Foundry Coke Products from the People's Republic of China ("PRC") would likely lead to continuation or recurrence of dumping and material injury to an industry in the United States, the Department is publishing this notice of continuation of this antidumping duty ("AD") order.

**EFFECTIVE DATE:** January 10, 2007.

**FOR FURTHER INFORMATION CONTACT:** Irene Gorelik at (202) 482-6905 or Juanita Chen at (202) 482-1904; AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230.

**SUPPLEMENTARY INFORMATION:**

## Background

On August 1, 2006, the Department initiated a sunset review of the AD order on Foundry Coke from the PRC pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act"). *See Initiation of Five-year ("Sunset") Reviews*, 71 FR 43443 (August 1, 2006). The Department received notices of intent to participate from the following domestic parties within the deadline specified in 19 CFR 351.218(d)(1)(i): ABC Coke, Citizens Gas & Coke Utility, Erie Coke, Sloss Industries Corporation, and Tonawanda Coke Corporation (collectively, "Petitioners"). These parties claimed interested party status under section 771(9)(C) of the Act and 19 CFR 351.102(b), as domestic manufacturers and producers of the domestic like product. The Department received a substantive response from Petitioners within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i). The Department did not receive a substantive response from any of the respondent interested parties to these proceedings. As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), the Department conducted an expedited sunset review of this AD order.<sup>1</sup> On December 20, 2006, the ITC determined, pursuant to section 751(c) of the Act, that revocation of the AD order on foundry coke would likely lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.<sup>2</sup>

## Scope Of The Order

The product covered under the antidumping duty order is coke larger than 100 mm (4 inches) in maximum diameter and at least 50 percent of which is retained on a 100-mm (4 inch) sieve, of a kind used in foundries.

The foundry coke products subject to the antidumping duty order were classifiable under subheading 2704.00.00.10 (as of Jan 1, 2000) and are currently classifiable under subheading 2704.00.00.11 (as of July 1, 2000) of the *Harmonized Tariff Schedule of the United States* ("HTSUS"). Although the HTSUS subheadings are provided for convenience and Customs purposes, our written description of the scope of the order is dispositive.
