Notice of Extension of Time Limit for Final Results of Antidumping Duty Administrative Review: Certain Corrosion-Resistant Carbon Steel Flat Products from Canada

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: January 10, 2007.

FOR FURTHER INFORMATION CONTACT: Douglas Kirby or Joshua Reitze, AD/CVD Operations, Office 6, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482–3782 or (202) 482–0666, respectively.

SUPPLEMENTARY INFORMATION:

Background

On September 11, 2006, the Department of Commerce (the Department) published the preliminary results of the administrative review of the antidumping duty order on certain corrosion-resistant carbon steel flat products from Canada for the period of August 1, 2004, through July 31, 2005 (*see Certain Corrosion-Resistant Carbon Steel Flat Products from Canada: Preliminary Results of Antidumping Duty Administrative Review*, 71 FR 53363, September 11, 2006) (*Preliminary Results*). The current deadline for the final results of this review is January 9, 2007.

Extension of Time Limit for Final Results of Review

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to issue the final results in an administrative review within 120 days of the date on which the preliminary results were published. However, if it is not practicable to complete the review within this time

period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results to 180 days from the date of publication of the preliminary results.

The Department needs additional time to analyze the case briefs and rebuttal comments. Therefore, the Department finds that it is not practicable to complete the review by the original deadline of January 9, 2007. Consequently, in accordance with section 751(a)(3)(A) of the Act and section 351.213(h)(2) of the Department's regulations, the Department is extending the time limit for the completion of the final results of the review until no later than March 10, 2007, which is 180 days from the publication of the preliminary results.

This notice is issued and published in accordance with section 751(a)(3)(A) of the Act.

Dated: January 3, 2007.

Deputy Assistant Secretary for Import Administration

Foundry Coke Products from the People's Republic of China: Continuation of Antidumping Duty Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: As a result of the determinations by the Department of Commerce (“the Department”) and the International Trade Commission (“ITC”) that revocation of the antidumping duty order on Foundry Coke Products from the People's Republic of China (“PRC”) would likely lead to continuation or recurrence of dumping and material injury to an industry in the United States, the Department is publishing this notice of continuation of this antidumping duty (“AD”) order.

EFFECTIVE DATE: January 10, 2007.

FOR FURTHER INFORMATION CONTACT: Irene Gorelik at (202) 482–6905 or Juanita Chen at (202) 482–1904 ; AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

On August 1, 2006, the Department initiated a sunset review of the AD order on Foundry Coke from the PRC pursuant to section 751(c) of the Tariff Act of 1930, as amended (“the Act”). *See Initiation of Five-year (“Sunset”) Reviews*, 71 FR 43443 (August 1, 2006). The Department received notices of intent to participate from the following domestic parties within the deadline specified in 19 CFR 351.218(d)(1)(i): ABC Coke, Citizens Gas & Coke Utility, Erie Coke, Sloss Industries Corporation, and Tonawanda Coke Corporation (collectively, “Petitioners”). These parties claimed interested party status under section 771(9)(C) of the Act and 19 CFR 351.102(b), as domestic manufacturers and producers of the domestic like product. The Department received a substantive response from Petitioners within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i). The Department did not receive a substantive response from any of the respondent interested parties to these proceedings. As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), the Department conducted an expedited sunset review of this AD order.¹ On December 20, 2006, the ITC determined, pursuant to section 751(c) of the Act, that revocation of the AD order on foundry coke would likely lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.²

Scope Of The Order

The product covered under the antidumping duty order is coke larger than 100 mm (4 inches) in maximum diameter and at least 50 percent of which is retained on a 100–mm (4 inch) sieve, of a kind used in foundries.

The foundry coke products subject to the antidumping duty order were classifiable under subheading 2704.00.00.10 (as of Jan 1, 2000) and are currently classifiable under subheading 2704.00.00.11 (as of July 1, 2000) of the *Harmonized Tariff Schedule of the United States* (“HTSUS”). Although the HTSUS subheadings are provided for convenience and Customs purposes, our written description of the scope of the order is dispositive.

¹ *See Foundry Coke Products from the People's Republic of China: Final Results of the Expedited Sunset Review of the Antidumping Duty Order*, 71 FR 70956 (December 7, 2006).

² *See Foundry Coke from China*, 71 FR 78223 (December 28, 2006), and USITC Publication 3897, Investigation No. 731-TA-891 (December 20, 2006) (Review).

Determination

As a result of the determinations by the Department and the ITC that revocation of the antidumping duty order would likely lead to continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, the Department hereby orders the continuation of the antidumping duty order on foundry coke products from the PRC. U.S. Customs and Border Protection will continue to collect antidumping duty cash deposits at the rates in effect at the time of entry for all imports of subject merchandise. This review covers imports from all manufacturers and exporters of foundry coke from the PRC.

The effective date of continuation of this order will be the date of publication in the **Federal Register** of this Notice of Continuation. Pursuant to sections 751(c)(2) and 751(c)(6) of the Act, the Department intends to initiate the next five-year review of this order not later than December 2011.

This five-year ("sunset") review and notice are in accordance with section 751(c) of the Act and published pursuant to section 777(i)(1) of the Act.

Dated: January 4, 2007.

David M. Spooner,

Assistant Secretary for Import Administration.

Oil Country Tubular Goods, Other Than Drill Pipe, from Argentina; Notice of Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: In response to a request from the petitioner, the Department of Commerce (the Department) initiated an administrative review of the antidumping duty order on oil country tubular goods (OCTG) from Argentina. This review covers one manufacturer/exporter of the subject merchandise, Siderca S.A.I.C. (Siderca). The Department is now rescinding this review based on record evidence indicating the respondent had no entries of subject merchandise during the period of review (POR). The POR is August 1, 2005 through July 31, 2006.

EFFECTIVE DATE: January 10, 2007.

FOR FURTHER INFORMATION CONTACT: Fred Baker or Robert James, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230; telephone (202) 482 2924 (Baker), (202) 482-0649 (James).

SUPPLEMENTARY INFORMATION:**Background**

On August 11, 1995, the Department published the antidumping duty order on OCTG from Argentina. See *Antidumping Duty Order: Oil Country Tubular Goods from Argentina*, 60 FR 41055 (August 11, 1995). On August 1, 2006, we published in the **Federal Register** a notice of opportunity to request administrative reviews. See *Antidumping and Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 71 FR 43441 (August 1, 2006). On August 31, 2006, United States Steel Corporation (petitioner) requested that the Department conduct an administrative review of sales of the subject merchandise made by Siderca.

On September 29, 2006, the Department published a notice of initiation of this administrative review. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 71 FR 57465 (September 29, 2006). The Department issued its antidumping duty questionnaire to Siderca on October 13, 2006. In response, Siderca stated in a November 1, 2006, submission that it had no entries for consumption of subject merchandise of OCTG during the POR, and requested that the Department rescind the administrative review with respect to Siderca.

On October 30, 2006, the Department placed on the record of the review copies of documents regarding entries of subject merchandise from Argentina that it obtained from U. S. Customs and Border Protection (CBP). On November 20, 2006, the Department issued a letter to petitioners, domestic interested parties, and Siderca stating that the Department intended to rescind the review for want of a reviewable consumption entry by Siderca. We invited parties to submit comments on our intent to rescind the review. We requested that any comments be submitted by December 1, 2006. We received no comments.

Period of Review

The POR is August 1, 2005, through July 31, 2006.

This scope does not cover casing or tubing pipe containing 10.5 percent or more of chromium. Drill pipe was excluded from this order beginning August 11, 2001. Rescission of Review

On November 1, 2006, Siderca informed the Department that it did not ship OCTG to the United States during the POR, and requested that we rescind the administrative review. The Department subsequently obtained and reviewed entry documents from CBP, and found no evidence that Siderca had knowledge that any of its production
