SUPPLEMENTARY INFORMATION: The following described public land has been examined and found suitable for sale under the provisions of Sections 203 and 209 of the Federal Land Policy

Management Act of 1976 (90 Stat. 2750, 43 U.S.C. 1713 and 1719) and implementing regulations at 43 CFR 2710 and 2720:

Fourth Principal Meridian

T. 33 N., R. 10 E.; Sec. 25, lot 17.

The area described contains 1.18 acres in Langlade County.

The BLM Wisconsin Resource Management Plan Amendment dated 2001 identified this parcel of land as suitable for disposal. The purpose of the sale is to dispose of land which is difficult and uneconomic to manage as part of the public lands. The parcel has no legal access via a public road. There are no encumbrances reported on the records maintained by the BLM-ES, Milwaukee Field Office.

The land is being offered for sale using competitive bidding procedures pursuant to 43 CFR 2711.3-1. Interested bidders must submit sealed bids to the BLM-ES, Milwaukee Field Office (address stated above), not later than 4:30 p.m. CDT, on October 5, 2007. Sealed bid envelopes must be clearly marked on the front lower left-hand corner with "SEALED BID BLM LAND SALE WI, WIES-054896, October 5, 2007. The bid envelope must also contain a signed statement showing the total amount of the bid and the name, mailing address, and phone number of the entity making the bid.

Sealed bids will be opened to determine the high bid at 10 a.m. CDT, October 9, 2007 at the BLM-ES, Milwaukee Field Office (address stated above). The highest qualifying bid will be declared the high bid and the high bidder will receive written notice. Bidders submitting matching high bid amounts for the parcel will be provided an opportunity to submit a supplemental sealed bid. The BLM will return checks submitted by unsuccessful bidders by U.S. mail.

Bids must be for not less than the federally appraised fair market value determination of the land. The appraised fair market value will be made available 30 days prior to the sealed bid closing date at the BLM-ES, Milwaukee Field Office (address stated above). Each sealed bid must be accompanied by a certified check, postal money order, bank draft, or cashier's check made payable to the Bureau of Land Management for an amount not less than 20 percent of the total amount of the bid. Personal checks will not be accepted.

The successful bidder will be allowed 180 days from the date of sale to submit the remainder of the full bid price in the form of a certified check, money order, bank draft, or cashier's check made

payable to the Bureau of Land Management. Personal checks will not be accepted. Failure to submit the full bid price prior to but not including the 180th day following the day of the sale, will result in the forfeiture of the bid deposit to the BLM, and the parcel will be offered to the second highest qualifying bidder at their original bid. If there are no acceptable bids, the parcel may remain available for sale on a continuing basis in accordance with the competitive sale procedures described in 43 CFR 2711.3-1 without further legal notice. Bids submitted to the BLM will be opened on the first Friday of each month following the initial date of sale at 10 a.m. CDT, in the BLM-ES, Milwaukee Field Office, until the parcel is sold or the offer is cancelled.

Federal law requires that bidders must be (1) United States citizens 18 years of age or older, (2) a corporation subject to the laws of any State or of the United States, (3) an entity including, but not limited to associations or partnerships capable of acquiring and owning real property, or interests therein, under the laws of the State of Wisconsin, or (4) a State, State instrumentality, or political subdivision authorized to hold real property.

The Federal mineral interests underlying this parcel have no known mineral value and will be conveyed with the sale of the parcel. A sealed bid for the above described parcel constitutes an application for conveyance of those mineral interests. In addition to the full purchase price, a successful bidder must pay a separate nonrefundable filing fee of \$50 for the mineral interests to be conveyed simultaneously with the sale of the land.

Segregation: Publication of this Notice in the **Federal Register** segregates the subject land from appropriation under the public land laws, except sale under the provisions of the Federal Land Policy and Management Act of 1976. The segregation will terminate upon issuance of patent, upon publication in the **Federal Register** of a termination of the segregation, or on August 6, 2009 unless extended by the BLM State Director in accordance with 43 CFR 2711.1-2(d) prior to the termination date.

Terms and Conditions of Sale: Upon successful completion of the sale, the patent issued would contain the following reservations, covenants, terms and conditions:
