

Than Fair Value and Antidumping Duty Order: Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam, 70 FR 5152 (Feb. 1, 2005) (*Amended Shrimp Finals/Orders*). In the *Amended Shrimp Finals/Orders*, the Department noted that the scope of the antidumping duty orders had been amended to exclude canned warmwater shrimp and prawns to reflect the International Trade Commission's finding that a domestic industry in the United States is not materially injured or threatened with material injury by reason of imports of canned warmwater shrimp and prawns from the countries in question.

Subsequent to the issuance of the shrimp orders, we noticed that the first sentence of the first paragraph of the scope language of each order might suggest that the warmwater shrimp subject to the order includes warmwater shrimp in non-frozen form. Therefore, we are amending the scope language of the orders by moving the word "frozen" to be before "warmwater shrimp and prawns" in the first sentence of the first paragraph of the scope of each order to clarify that only frozen warmwater shrimp and prawns are subject to the order. As a result, the first paragraph of the scope of each order reads as follows:

The scope of this order includes certain frozen warmwater shrimp and prawns, whether wild-caught (*ocean harvested*) or farm-raised (*produced by aquaculture*), head-on or head-off, shell-on or peeled, tail-on or tail-off, deveined or not deveined, cooked or raw, or otherwise processed in frozen form.

We are thus amending the antidumping duty orders of certain frozen warmwater shrimp from Brazil, Ecuador, India, Thailand, the People's Republic of China and the Socialist Republic of Vietnam, as noted above.

These amended orders are issued and published in accordance with section 736(a) of the Tariff Act of 1930, as amended.

Dated: January 16, 2007.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Stainless Steel Bar from Brazil, India, Japan, and Spain: Continuation of Antidumping Duty Orders

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: As a result of the determinations by the Department of Commerce (the Department) and the International Trade Commission (ITC) that revocation of the antidumping duty orders on stainless steel bar from Brazil, India, Japan, and Spain would be likely to lead to continuation or recurrence of dumping and of material injury to an industry in the United States within a reasonably foreseeable time, the Department is publishing notice of the continuation of these antidumping duty orders.

EFFECTIVE DATE: January 23, 2007.

FOR FURTHER INFORMATION CONTACT:

Kristin Case or Mino Hatten, Office 5, AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-3174 and (202) 482-1690, respectively.

SUPPLEMENTARY INFORMATION:

Background

On March 1, 2006, the Department initiated the second sunset reviews of the antidumping duty orders on stainless steel bar (SSB) from Brazil, India, Japan, and Spain pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act). See *Initiation of Five-Year ("Sunset") Reviews*, 71 FR 10476 (March 1, 2006).

As a result of our review, we found that revocation of the antidumping duty orders would be likely to lead to continuation or recurrence of dumping and we notified the ITC of the magnitude of the margins likely to prevail were the orders to be revoked. See *Stainless Steel Bar from Brazil, India, Japan, and Spain; Final Results of the Expedited Sunset Reviews of the Antidumping Duty Orders*, 71 FR 38372 (July 6, 2006). On December 4, 2006, the ITC determined, pursuant to section 751(c) of the Act, that revocation of the antidumping duty orders on SSB from Brazil, India, Japan, and Spain would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a

reasonably foreseeable time. See *Stainless Steel Bar From Brazil, India, Japan, and Spain*, 72 FR 1243 (January 10, 2007), and ITC Publication 3895 (January 2007) entitled *Stainless Steel Bar from Brazil, India, Japan, and Spain: Investigation Nos. 731-TA-678, 679, 681 and 682 (Second Review)*.

Scope of the Orders

Imports covered by these orders are shipments of SSB. SSB means articles of stainless steel in straight lengths that have been either hot-rolled, forged, turned, cold-drawn, cold-rolled or otherwise cold-finished, or ground, having a uniform solid cross section along their whole length in the shape of circles, segments of circles, ovals, rectangles (including squares), triangles, hexagons, octagons, or other convex polygons. SSB includes cold-finished SSBs that are turned or ground in straight lengths, whether produced from hot-rolled bar or from straightened and cut rod or wire, and reinforcing bars that have indentations, ribs, grooves, or other deformations produced during the rolling process.

Except as specified above, the term does not include stainless steel semi-finished products, cut length flat-rolled products (*i.e.*, cut length rolled products which if less than 4.75 mm in thickness have a width measuring at least 10 times the thickness, or if 4.75 mm or more in thickness having a width which exceeds 150 mm and measures at least twice the thickness), wire (*i.e.*, cold-formed products in coils, of any uniform solid cross section along their whole length, which do not conform to the definition of flat-rolled products), and angles, shapes, and sections.

The SSB subject to these orders is currently classifiable under subheadings 7222.11.00.05, 7222.11.00.50, 7222.19.00.05, 7222.19.00.50, 7222.20.00.05, 7222.20.00.45, 7222.20.00.75, and 7222.30.00.00 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheadings are provided for convenience and customs purposes, our written description of the scope of these orders is dispositive.

Determination

As a result of the determinations by the Department and ITC that revocation of these antidumping duty orders would be likely to lead to continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, the Department hereby orders the continuation of the antidumping duty orders on stainless steel bar from Brazil, India, Japan, and Spain.

U.S. Customs and Border Protection will continue to collect antidumping duty cash deposits at the rates in effect at the time of entry for all imports of subject merchandise.

The effective date of continuation of these orders will be the date of publication in the **Federal Register** of this Notice of Continuation. Pursuant to section 751(c) of the Act, the Department intends to initiate the next five-year reviews of these orders not later than January 2012.

This notice is in accordance with sections 751(c) and 777(i)(1) of the Act.

Dated: January 16, 2007.

Assistant Secretary for Import Administration.

Notice of Extension of Time Limit for Final Results of Antidumping Duty Administrative Review: Steel Concrete Reinforcing Bars from the Republic of Korea

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: January 23, 2007.

FOR FURTHER INFORMATION CONTACT:

Terre Keaton Stefanova or Katherine Johnson, AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-1280 or 202-482-4929, respectively.

SUPPLEMENTARY INFORMATION:

Background

On October 10, 2006, the Department of Commerce (the Department) published in the **Federal Register** the preliminary results of the 2004 - 2005 administrative review of the antidumping duty order on steel concrete reinforcing bars from the Republic of Korea. *See Steel Concrete Reinforcing Bar From The Republic of Korea: Notice of Preliminary Results and Preliminary Rescission, in Part, of Antidumping Duty Administrative Review*, 71 FR 59440 (October 10, 2006). The final results for this administrative review are currently due no later than February 7, 2007.

Extension of Time Limits for Final Results of Review

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (“the Act”), requires the Department to issue the final results of the review of an antidumping duty order within 120 days after the date on which the preliminary results are published in the **Federal Register**. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results to 180 days from the date of publication of the preliminary results.

The Department finds that it is not practicable to complete the final results of this review within the original time limit. Due to the complexity of the issue raised by the petitioners in its case brief regarding the respondents’ reporting of yield strength, a model-match characteristic, the Department requires additional time to properly analyze this issue. Therefore, we are fully extending the deadline for the final results of this review until no later than April 9, 2007, the next business day after 180 days from publication of the preliminary results, in accordance with section 751(a)(3)(A) of the Act.

We are issuing and publishing this notice in accordance with sections 751(a)(1), 751(a)(3)(A), and 777(i)(1) of the Act.

Dated: January 17, 2007.

Deputy Assistant Secretary for Import Administration.
